April 17, 2015

The Honorable Sam D. Pulia, Village President  
Village Board of Trustees  
Citizens of Westchester

On behalf of the Village Management Team, it is my pleasure to present to you the Village of Westchester's Annual Operating Budget for the fiscal year commencing May 1, 2015 and ending April 30, 2016. The FY 2016 Budget was developed by the Village's Management Team consisting of the Village Manager, Police Chief, Fire Chief, Community Development Director, Public Works Supervisor, IT Manager and myself.

The Village's proposed FY 2016 Budget establishes the Village's fiscal policy for programs and services provided to its residents for the fiscal year beginning May 1, 2015. This budget provides the legal framework for the Village of Westchester to perform its duties and fulfill its financial obligations. This budget provides the spending authorization for seven budgeted funds:

- General Fund
- Special Revenue - Motor Fuel Tax Fund
- Special Revenue - E-911 Fund
- Special Revenue - Hotel/Motel Tax Fund
- Capital Projects – Series 2013 Project Fund
- Debt Service – GO Bonds Series 2013 Bond Fund
- Enterprise – Utility Fund

The budget has been prepared to address the operation, maintenance, capital expenditure and debt service needs of the Village of Westchester. As with other municipalities in the Chicago metropolitan area, the Village has been impacted at the local level by regional, state, and national economic conditions. As with the overall economy, Westchester has been impacted by the decline in the housing market, unemployment, credit/loan issues, the position of the stock market, increasing pension costs and the fiscal crisis in the State of Illinois government.

Fortunately, the lack of large commercial or retail establishments in Westchester has resulted in a less dramatic downturn due to the community's reliance on other sources of revenue apart from sales taxes. The overall economic conditions appear to be stabilizing and have caused revenue projections for state and local revenue to be flat as compared to the prior year. The most recent year-over-year sales tax analysis shows an increase of 1.0% over Fiscal 2014. The state income tax is expected to slightly decrease in Fiscal 2016 as compared to Fiscal 2015 revenues.

The Village property tax base is founded primarily in its residential housing stock. The assessed value of Westchester properties decreased substantially in 2011 based on the triennial reassessment of property values as of December 31, 2011; the Village's equalized assessed value decreased from \$670,014,859 to \$550,475,869 based on the reassessment. The EAV further decreased from \$550,475,869 to \$499,925,456 at December 31, 2012. The property tax cap level for the 2014 tax year levy to be collected for the fiscal year beginning May 1, 2015, was 1.5%. Building activity has been in a steady decline since fiscal year 2008.

Personnel and benefit costs are by far the largest cost to the Village, and represent 69% of the total expenditures for the General Fund (only) and 31% for the entire budget. The vast majority of the Village's personnel are covered under six collective bargaining units. Only 16 of the 96 full-time employees at April 30, 2015 are not members of a collective bargaining agreement. There are no part-time employees included in bargaining units. The collective bargaining units include the following, with the number of personnel in each bargaining unit shown in parentheses. The FY 2016 expenditure provides for estimated salary adjustments to labor agreements in negotiation.

	<u>Contract Expiration Date</u>
Sergeants (7)	April 30, 2012(negotiations pending)
Police Patrol (20)	April 30, 2015
Paramedics and Firefighters (23)	April 30, 2015
Police Records/ CSO Officers (3)	April 30, 2015
Clerical (5)	April 30, 2015
Public Works Maintenance (18)	April 30, 2016

All full-time personnel working for the Village are offered health insurance, life insurance, and by law are enrolled in a defined benefit pension plan. Civilian employees belong to the Illinois Municipal Retirement Fund, sworn police officers belong to the Westchester Police Pension Fund, and sworn firefighters belong to the Westchester Fire Pension Fund.

### **Fund Balances**

The Village's budgeted funds require the use of accumulated reserves (fund balance) to balance their FY 2016 budgets as follows:

General Fund	\$ 411,566
Special Revenue - E-911 Fund	\$ 1,353
Special Revenue - Hotel/Motel Tax Fund	\$ 12,438
Capital Projects Fund	\$ 340,380

The Village has a Fund Balance Reserve Policy that requires the General Fund to retain a fund balance equal to 30% of the current average operating expenditures of the General Fund and requires the Utility Fund to retain a fund balance equal to 15% of the current average operating expenses of the Utility Fund. The Village is projected to comply with this Fund Balance Policy as of April 30, 2015.

As with the FY 2015 Budget, fund summary sheets have been presented in this budget document that show future year fund balance projections based on economic modeling.

### **General Fund**

Total general fund revenue for the 2015/16 Fiscal Year is budgeted at \$ 16,450,421. This represents a decrease of \$474,399 or 2.80% from the 2014/15 Fiscal Year budgeted revenue of \$16,924,820.

Mariano's grocery store opened in November 2014. The Village expects to have an increase in its sales tax revenue approximating \$150,000 due to the increase in the projected sales of the Mariano's store over the previous business at that location.

Staff has taken the initiative to reduce costs during the current fiscal year through deferral of capital additions, utilization of financing options for necessary capital purchases, reduction in personnel overtime costs and other cost containment measures.

The Village continues to face the economic challenges of increased pension and health insurance costs. The General Fund budget reflects an increase in the Police and Fire pension contributions aggregating \$215,163. The Fiscal 2016 budget reflects an estimated 12% increase in the premiums of health insurance benefits.

The public works budget also includes increase expenditures anticipated for tree removal and replacement as the Village tackles the destruction of ash trees by the Emerald Ash Borer.

### **Special Revenue - Motor Fuel Tax Fund**

In May 2010, the Village issued \$3,500,000 Taxable General Obligation Bonds, Series 2010A to fund street reconstruction and repair. These bond proceeds were used to reconstruct nine local streets in Fiscal 2011 and eight local streets in Fiscal 2012. The Series 2010A Bonds were Build America Bonds and, pursuant to the American Recovery and Reinvestment Act, the Village is eligible to receive a rebate from the U. S. Treasury Department of 35% of the interest paid each year. The Sequester Law enacted by Congress on March 1, 2013, reduced this rebate by 7.6%. The Series 2010A debt service will cost approximately \$300,000 annually for twenty years. The debt service will be made from the Motor Fuel Tax Allotments received from the State of Illinois. Municipalities receive a little less than 25% of the 19-cent per gallon Illinois Motor Fuel Tax. Actual Local Motor Fuel Tax MFY 14 receipts were \$24.56 per capita and were 2.2% higher than MFY 13 receipts of \$24.03. May 2014 through November 2014 motor fuel tax receipts fallen from \$14.34 per capita to \$14.22 per capita, a 0.8 decrease. The Illinois Municipal League is predicting that the local share of Motor Fuel Tax revenue will decrease by no more than 1.4% to a per capita rate of \$24.30 in FY 2016.

### **Special Revenue - Hotel/Motel Tax Fund**

The only source of revenue for this fund is the hotel tax imposed on services provided by the Hampton Inn of Westchester. Initial revenue estimates show a stabilization of hotel tax receipts. Expenses included in this fund promote tourism in the Village and include costs for Village special events.

### **Special Revenue - 911 Fund**

In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of maintaining emergency communications. Emergency 911 expenditures are recorded both in this fund and in the General Fund. The Village imposes a \$1.50 per line tax on landlines. The Village outsourced its E-911 dispatch function effective October 31, 2013. The Fiscal 2016 budget includes an allocation of the contractual cost to the Village's E-911 service provider.

### **Capital Projects – Series 2013 Project Fund**

The Capital Projects Fund was created in Fiscal 2013 to account for the capital expenditures spent from the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013 restricted for infrastructure improvement projects within the Village.

The Village was initially approved for a Bond Issuance of \$8,800,000 however elected to only issue \$5,800,000. In April 2015 the Village went back and met with Moody's Investor Services and received the Aa2 rating for the issuance of the remaining \$2,200,000. The Bonds go to Market in May of 2015.

In the November 6, 2012 primary election, the Village residents passed a referendum authorizing a one percent non-home rule sales tax. These taxes were assessed beginning January 1, 2013. Non-home rule sales taxes received in fiscal 2014 are expected to be in line with the Illinois Department of Revenue projection of 630,000. Proceeds from this revenue stream are restricted for infrastructure improvements and debt service on the Series 2013 Bonds. The fund budget includes an annual transfer out to the GO Bonds series 2013 Bond Fund to fund the debt service requirement on the Series 2013 Bonds.

The FY 2016 budget includes street improvement expenditures of approximately \$1,102,000 to reconstruct local streets. The improvements will be funded primarily with the funds from the \$2,200,000 Series 2015 General Obligation (Alternate Revenue Source) Bonds issued on March 2015 to be serviced from non-home rule sales tax distributions. These street improvements are budgeted for:

Sunnyside Avenue (from Cermak Road to Windsor Drive)  
Hawthorne Avenue (from Cermak Road to Windsor Drive)  
Norfolk Avenue (from Dickens Street to Chaucer Street)  
Devonshire Street (from Mannheim Road to Cromwell Avenue)  
Gladstone Street (from Worcester Avenue to Cromwell Avenue)

Additional streets may be added depending upon project costs. The entire roadway will be removed and replaced with asphalt binder and surface. The projects will include repair or replacement of defective drainage structures and storm sewers, replacement of deteriorated sections of sewer lines, complete replacement of curb and gutters, replacement of any asphalt driveway aprons with concrete and depressed curbs. Parkway restoration will consist of topsoil and sod.

#### **Debt Service – GO Bonds Series 2013 Bond Fund**

The Debt Service – GO Bonds Series 2013 Bond Fund was created in Fiscal 2013 to account for the debt service expenditures on the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013 restricted for infrastructure improvement projects within the Village.

The fund will be financed by a transfer in from the Capital Projects Fund, where proceeds of the Non-Home Rule Sales Tax are recorded. The only expenditure in this fund will be the principal and interest payments on the Series 2013 Bonds. Annual debt service expenditures approximate \$307,620 to \$410,120 through December 2032.

#### **Utilities Fund**

The Village purchases its water from the Broadview-Westchester Joint Water Agency (BWJWA), who in turn purchases their water from the City of Chicago. As a direct result of Mayor Rahm Emmanuel and the Chicago City Council unanimously passing Mayor Emmanuel's budget, an increase of 25% was added to the cost of Lake Michigan drinking water beginning January 1, 2012. An additional water purchase cost increase of 15% was imposed by the City of Chicago as of January 1, 2013. The cost of the water from the City of Chicago is passed onto the Broadview-Westchester Joint Water Agency (BWJWA). After considerable discussion, the BWJWA agreed it should only pass on the direct cost of the annual water increases to its' participating municipalities. Effective January 1, 2012, the cost of 1,000 gallons increased from \$6.36 per thousand gallons to \$6.86 per thousand gallons of water. Effective January 1, 2013, the cost of 1,000 gallons increased from \$6.86 to \$7.10 to offset the increased water purchase cost. Effective January 1, 2014, the cost of 1,000 gallons increased from \$7.10 to \$7.75 to offset the increased water purchase cost. Effective January 1, 2015, the cost of 1,000 gallons increased from \$7.75 to \$8.35 to offset the increased water purchase cost.

On December 2, 2013, the Village was awarded a water pollution control program loan obtained through the Illinois Environmental Protection Agency (IEPA) low interest loan program for the Sunnyside Sanitary Sewer Replacement Project. This project generally consists of work required to replace and reroute an approximate 1-mile long existing sanitary interceptor sewer located north and south of 31<sup>st</sup> Street on Sunnyside Avenue along Salt Creek on the southeast side of the Village. The project cost is estimated at \$2,450,000. The project is expected to be completed in September 2015. Debt service on the loan will be determined upon completion of the project.

On January 24, 2012, the Board approved a contract extension for refuse services with Waste Management until 2017. The contract extension provides for an increase in rates of 5% in the contract year ended June 30, 2013, 2.5% in 2014, 3.0% in 2015, 3.5% in 2016 and 4% in 2017.

On September 30, 2011, the Village was awarded a wastewater treatment works loan obtained through the Illinois Environmental Protection Agency (IEPA) low interest loan program. The IEPA financed \$852,111, payable over 20 years, to finance sewer improvements in the Highridge area of town which includes point repairs to the existing sanitary sewers where necessary, installation of a resin liner in the main sewer lines, and rehabilitating manholes. The project was completed in May 2013. Annual debt service on the loan is approximately \$49,400 through 2032.

In May 2010, The Village issued \$1,610,000 Taxable General Obligation Bonds, Series 2010B to fund infrastructure improvements to the Village's water and sanitary sewer system, specifically the repainting of the interior of the Village's water tower and water main replacements of Fleet and Preston Streets. The debt service on the Series 2010B Bonds will be made from utility revenue. The Series 2010B Bonds were Build America Bonds and, pursuant to the American Recovery and Reinvestment Act, the Village is eligible to receive a rebate from the U. S. Treasury Department of 35% of the interest paid each year. The Sequester Law enacted by Congress on March 1, 2013, reduced this rebate by 7.6%. The annual debt service on the Series 2010B bonds is approximately \$190,000 through FY 2021.

## SUMMARY

The FY 2016 Budget provides funds necessary to finance the continuation of excellent service provided by Village departments to the community, as well as fund several major capital improvements.

While the principle causes of financial challenges faced by local governments over the last several years have come from the revenue side of the budget, expenditure containment and control need to be continually addressed to ensure that we continue to operate within our means. Staff will continue to work to hold down and reduce operating costs where possible.

Cooperation with groups such as the Metropolitan Mayors Caucus, Illinois Municipal League and the West Central Municipal Conference continues to be critical in maintaining a municipal view in Springfield and Washington D.C. on unfunded mandates issues, i.e. homeland security which was previously provided by the federal government, protection of municipal revenues and the future role of local governments in providing services and programs that have traditionally been provided by the federal/state government.

The budget document represents a significant effort on the part of the entire senior staff of the Village of Westchester. We would like to commend senior staff on their diligence and efforts in developing a professional and comprehensive budget document.

Respectfully submitted,

Maureen B. Potempa  
Finance Director

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Community Profile**

Located approximately 14 miles west of Chicago in Cook County, the Village of Westchester encompasses a 4.5 square mile area and is home to 16,718 residents based on the 2010 United States Census. The Village was incorporated in 1925 and operates as a non-home rule unit of government. The village is primarily residential and commercial in nature, with housing stock consisting of 7,219 units.

The Village operates under a council-manager form of government as defined by the Illinois Municipal Code. The Village President, Village Clerk, and six trustees are elected at large to serve four year terms, with three trustees elected every second year. The Village Attorney is appointed by the Village President, with the advice and consent of the Village Board. The Village Manager is hired by the Village President and Board of Trustees. All department managers are hired by the Village Manager.

The Village Manager is the chief administrative officer of the Village and is responsible for its day-to-day operations. The Village Manager oversees a full-time staff of five department managers including Finance, Police, Fire, Public Works and Building.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The General Fund is the Village's primary operating fund. It accounts for the financial resources and uses traditionally associated with general government, except those required to be accounted for in a separate fund.

### **Revenues**

The General Fund derives revenues from a variety of sources. General Fund revenues are separated into the following categories: Local Taxes, Licenses & Permits, Intergovernmental, Fines & Forfeitures, and other revenues. Total general fund revenue for the 2015-16 Fiscal Year is budgeted to be \$ 16,450,421. This represents a decrease of \$474,399 or 2.80% from the 2014-15 Fiscal Year budgeted revenue of \$16,924,820. Further information on General Fund revenues is as follows:

#### **Local Taxes**

Local Taxes are taxes levied and imposed by the Village of Westchester.

**Property Taxes** – Property Taxes are levied by the Village of Westchester. They are based on the assessed value of real property located within the Village. Property values are assessed by Cook County. Taxes are also collected by Cook County and the Village's portion is remitted back to the Village. The property tax levy remains the greatest source of revenue to the Village's General Fund. The Property Tax Limitation Law limits the dollar amount levied from one tax year to another to the lower of 5% or the CPI (1.7% for the 2013 tax levy). The property tax levy is separated into three portions: General Purpose, Fire Pension, and Police Pension. The Police and Fire Pension amounts are paid directly to the pension funds, limiting the funds available for the General Purpose portion of the levy. This year's property tax levy included general purpose revenue of \$4,445,700, which represents a 5.23% decrease over last year's general purpose levy. The Police and Fire Pension Funds combine to levy \$1,916,000, which represents a 53.2% increase over the prior year's levy. Combined, this year's total tax levy of \$6,361,700 is 2.6% greater than last year's tax levy of \$6,254,000.

**Utility Taxes** – The Village collects three types of utility taxes. There is a 6% tax on telephone gross receipts, a 5% equivalent electric tax based on consumption, and a 5% gross receipts natural gas tax. The Village is forecasting a nominal change in electric taxes and a reduction of natural gas taxes. Since Electric and Natural Gas taxes are based on consumption, they fluctuate with weather, usage, and the price of natural gas. The 6% telecommunications tax is based on the amount of telecommunication services our residents purchase. Telecommunication taxes this year have come in under budget, therefore projected income for 2015-16 is decreased to \$700,000, which is an increase of 4% over last year's budget of \$825,000.

**Places For Eating Tax** – The 1% Places for Eating Tax became effective October 1, 2006. For the coming fiscal year, we are budgeting \$240,000, which is a increase from last year's budget. This tax is regarded as a good barometer of the local economy.

**Foreign Fire Insurance** - These funds are received from insurance companies based outside of the State of Illinois that insure businesses within the Village. They are taxed at a rate of 2% and these funds pass directly through the General Fund and are paid out to the Foreign Fire Insurance Board. The expense offsetting this revenue stream is seen in the Fire Department portion of this budget.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Amusement Tax** – The Village collects 3% on all amusement sales. The primary source of revenues derived for this budgeted item comes from the golf course in town.

**Gaming Tax** – The Village currently issued three establishments licenses to operate video gaming terminals.

**Video Rental Tax** – The Village collects 8% on all video rentals.

**Cable TV Tax** – The Village assesses a 5% tax on cable TV subscriptions. The revenue has increased in recent years both due to an increase in cable rates and the integration of AT&T cable services in the Village.

**Licenses and Permits**

**Building Permits** – The amount of fees generated from building activities is expected to increase to \$605,000 for the coming fiscal year in part to new businesses coming to Westchester. Historically, building permit revenue has fluctuated from year to year.

**Compliance Permits** – The Village collects revenue for inspections performed during the building and remodeling process. Village Building Inspectors verify that work done in the Village complies with federal, state, and local building safety codes. Compliance permit revenue is coming in over budget. This is a result of increased compliance with inspection guidelines. The Village will budget for revenues next year to be comparable to those actually received during the current year.

**Health & Elevator Inspection Fees** – The Village pays for health inspections required at local businesses and passes the direct cost onto the applicable business. The elevator inspection fee was updated during the 2011/12 Fiscal Year to include an administrative fee. Current rates for these inspections are \$105. for a Health Inspection and \$60. for an Elevator Inspection.

**Planning & Zoning Fees** – These fees are nominal and are charged only when the Planning and Zoning Commission is required to meet and assess a recommendation to the Village Board.

**Business Licenses** – This revenue stream includes licenses for signs, solicitors, and general business. Revenues for the 2015-16 Fiscal Year are projected to increase slightly, based on the 2014-15 actual collections.

**Contractor Licenses** – The Village requires contractors wishing to receive a building permit within the Village to be licensed. The licensing process involves providing proof of insurance and bonding. These revenues are expected to remain constant.

**Liquor License** – Fees for the license required to sell liquor within the Village.

**Tobacco License** – This revenue stream is for the licenses required for tobacco sales.

**Vehicle Licenses** – The Village issues a license to all vehicles registered within the Village. Licenses are available for purchase during March and April and must be displayed by May 1<sup>st</sup>. Stickers purchased on or after May 1<sup>st</sup> are subject to a late fee equal to the cost of the sticker. The late fees are recognized in the revenue line "Late Fee – Vehicle Stickers".

**Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015**

**Intergovernmental**

The Village of Westchester's intergovernmental revenue streams are comprised of the municipal share of taxes levied by the State of Illinois and State and Federal grants or reimbursement programs. Further detail on intergovernmental revenue is as follows.

**Personal Property Replacement Tax** – Replacement taxes are revenues collected by the State of Illinois and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes on corporations, partnerships, and other business entities were taken away. The budget figure for 2015-16 increased based on the projected numbers for 2014-15.

**State Income Tax** – Income tax is paid by residents to the state at a rate of 5% of the Federal Adjusted Gross Income. The state then remits a portion of this back to municipalities on a per capita basis. The Village is projecting revenues will be just over \$1.6M.

**Local Use Tax** - Local Use Tax is levied by the State of Illinois for the privilege of using, while in Illinois, any item of tangible personal property that is purchased anywhere at retail. The tax is imposed on the user of the item; however in most cases the tax is paid by the retailer when filing their state tax return. The Local Use Tax rate is 6.25% on general merchandise (including automobiles and other items that must be registered). The rate is 1% on qualifying food, drug, or medical appliances. Twenty percent of the general merchandise collections and one hundred percent of the food, drug, or medical appliance collections are remitted to municipal governments on a per capita basis. The Illinois Municipal League projects that for the 2015-16 Fiscal Year, the Local Use Tax per capita rate will be \$18.50. This rate multiplied by the Village's population of 16,718 would net the Village \$297,500.00 in Local Use Tax revenue.

**Grants** – There are several grants that have been applied for that the Village is budgeting to receive. The Village is anticipating \$675,000 towards the repaving of the Village Hall Parking lot, \$384,619 toward the Green Alley initiative. The offsetting expense is identified in the Public Works portion of this budget. In addition we expect to receive \$64,000 toward the restoration of the Gladstone Bridge; the offsetting expense is identified in the Motor Fuel Tax Fund portion of the Budget. The Village is also anticipating funding from the Metropolitan Water Reclamation District with revenues totaling \$700,000 toward the Mayfair Reservoir Expansion Project. The expense portion of this project is identified in the Public Works portion of this budget.

**State Police Reimbursements** – The Illinois State Police offer funds to supply additional patrol coverage. The revenue received in this line should be directly offset by a corresponding expense in the police department budget.

**Charges for Service**

**Rent** – The Village receives rental revenue from the US Postal Service, as the Village owns the building used by the Post Office. The Village also receives rental revenue from cell phone providers for cell phone towers placed on Village property. Rental revenue is based on contract, and there are only nominal increases projected.

**Ambulance Fees** – These fees are assessed when the Westchester Fire Department responds to an emergency call. The fees are billed and collected by a third party.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

Newspaper Ads – These fees are charged to various businesses wishing to advertise in the Westchester Newsletter, a monthly publication produced by the Village and available for free to Village residents. The advertising revenue collected offsets the expense of producing and distributing the newsletter.

**Fines & Forfeits**

Alarm Fines – The Village charges \$28/month for wireless alarm fees (net of \$20/month after charges). One third of this income is used to fund public education and safety programs through the Fire Department.

Police Fines – Fines assessed by the Westchester Police Department in accordance with the Village of Westchester Municipal Code. Revenues for 2015-16 are expected to be in line with actual projected collections for 2014-15.

Circuit Court Fines – Fines collected by the Circuit Court of Cook County and remitted to the Village. Collections for 2015-16 are expected to be in line with actual projected collections for 2014-15.

Code Enforcement Fines – Fines assessed by the Village for violations of Village code.

Photo Enforcement – In December 2013, the Village contracted with Safe Speed photo enforcement to replace the cameras at the intersections of Cermak and Mannheim Roads (southbound on Mannheim) and also at the intersection of Roosevelt and Mannheim Roads (westbound on Roosevelt and Northbound on Mannheim). The revenue is expected to increase slightly from 2014-15 due mostly in part that there will have been in service for a full year.

Police Towing – On March 24, 2009, the Village Board approved an ordinance in regards to the impoundment of a motor vehicle used in the commission of certain offenses, which called for a civil penalty not to exceed \$500.

**Other Income**

Interest Income – Interest income is derived from cash balances and investments that the Village holds, pursuant to the Village's investment policy. Rates over the previous several years have been historically low. The Village does not project any significant changes in interest income over the next fiscal year.

Sale of Fixed Assets – Occasionally the Village will find itself in possession of a fixed asset that it no longer has a functional use for. In such an instance, the asset would be sold at auction with the consent of the Village Board.

Reimbursements – Reimbursement revenue is derived from several sources. The largest portion of the Village's reimbursement revenue comes from the employee share of health benefits. Employee contribution to health insurance varies by union contract. Non-represented employees contribute 10% of the cost of health insurance. Other types of reimbursements include gas use from the schools and Park District.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Rebate – Cook Co Gasoline Taxes –** Cook County will provide a rebate to municipalities within the county for gasoline taxes paid on fuel purchased by the Village for municipal use. Revenue is applied for and received once annually.

**Sidewalk –** The Village partners with interested residents to replace sections of sidewalk that are in need of repair. Residents interested in participating in this program contact the Public Works department, and, if approved, the cost of sidewalk replacement is split 50/50 between residents and the Village. This revenue line is to track the residents' portion of the sidewalk replacement.

**Tree Program –** The Village partners with interested residents to replace parkway trees. Residents can choose from five varieties of trees to replace their dying or damaged parkway trees. The cost of the replacement trees is split 50/50 between residents and the Village.

**Taxicab Program –** In an effort to assist seniors in Westchester get around town, the Village offers seniors in the community cab vouchers valued at \$20 of cab service for a purchase cost of \$10. Cab services used on these coupons are only valid within the Village of Westchester.

**Miscellaneous Other Income –** Occasionally the Village will receive revenue that is nonmaterial in nature and is not expected to be recurring. In such instances, the Village will recognize this revenue under Miscellaneous Other Income.

Detail of General Fund revenues appears on the following page.

**Composition of General Fund Revenue by Type**

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**General Fund Expenditures**

The General Fund is organized by department. The following departments exist in the General Fund:

- Administration
- Planning and Zoning Commission
- Building
- Board of Fire and Police Commissioners
- Dispatching
- Police
- Emergency Management
- Fire
- Public Works

Several fund-wide expenditure summaries appear on the following pages. Following that is detail for each of the departments in the General Fund.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Administration/Finance Department**

The Administration/Finance Department includes the Legislative, Village Manager and Finance divisions of the Village. The Village Manager is appointed by the Mayor with the consent of the Village Board. Village staff report to the Village Manager. It is the role of the Village Manager to direct staff in the daily administration of village services.

Other areas of Administration include:

- Human Resources
- Village Clerk
- Public Relations
- Adjudication
- Legal Services
- Community Events

The Finance area oversees:

- Accounts Payable
- Accounts Receivable
- Revenue collection
- Payroll
- Budget performance
- Preparing the Village's annual tax levy
- Maintaining the Village's debt schedules

Notable changes in this year's Administration and Finance budget include a request to change the Front Office Clerk from part time to full time.

Budget for the Fiscal Year Beginning 5/1/2015

**Plan Commission / Zoning Board of Appeals**

The Plan Commission makes recommendations on:

- Changes to the Village's Comprehensive Plan
- Special uses
- Text amendments to the Village's Zoning Ordinance

The Zoning Board of Appeals makes recommendations on:

- Variations to the Zoning Ordinance
- Appeals of decisions by the Director of Community Development

Both commissions are only recommending bodies. The Village Board has the right to accept, reject or modify the recommendation of these commissions.

The Plan Commission makes recommendations on or changes to the Village's comprehensive plan and zoning code. The Zoning Commission makes recommendations on variations to the zoning code. Decisions by either commission must be approved or denied by the Village Board.

No significant changes are projected for the 2015-16 fiscal year.

**Community Development Department**

The Community Development Department is responsible for economic development, building permitting, and planning & zoning. There are many tasks that Community Development is responsible for within these disciplines. The Department's mission is to encourage a healthy, safe and prosperous community through programs and activities that benefit the residential and business sectors.

**ECONOMIC DEVELOPMENT**

- Business Recruitment
- Assists potential businesses with site selection
- Business Retention
- Marketing the Village
- Information Dispersion
- Communication with Business Sector
- Staff Liaison to the Economic Development Commission
- Represent the Village at various regional events
- Implementing Village policies related to economic development
- Various Studies

**BUILDING PERMITTING**

- Building Plan Review & Processing
- Issue Permits for various types of building activities, including, but not limited to, demo, reconstruction, rehab, and residential accessory structures like pools, patios, driveways.
- Review Plans for mechanical, electrical, plumbing, structural, energy conservation code
- Perform inspections of mechanical, electrical, plumbing, structural and health and sanitation inspections
- Processing Permit (Collecting Bond, Insurance, and Licenses, coordinating approvals.)
- Coordinate reviews with other department
- Building Code update
- Code interpretation
- Information Dispersion (handouts, flowcharts)

**PLANNING AND ZONING**

- Process rezoning, variations, special uses, subdivisions, planned unit developments
- Review New Development
- Guide Applicants through the Entitlement Process
- Long Range & Short Range Planning (i.e. Comprehensive Plan update and sub-area plans)
- Coordinate with other departments
- Coordinate with other agencies (IDOT, IEPA, Cook County)
- Information Dispersion
- Zoning Code Administration
- Staff liaison to the Plan Commission and the Zoning Board of Appeals
- Provides demographic information

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The total budget for the Community Development Department is expected to increase. There are minor increases to conferences & training, dues & subscriptions, maint. services -- equipment, but the bulk of the increase is due to an increase in other contractual expenses. Below you will find a brief explanation for the increase in the budget for next fiscal year.

1. **Other Contractual Expenses:** This line item needed to be increased to cover an increase in fees for health inspections
2. **Professional Services:** Currently, the Village has adopted the 2000 International Building Code. In response to the update there will be an increase in inspections and reviews.
3. **Conferences & Training:** Department staff requires ongoing training to stay current on trends and techniques in the construction industry and best practices in planning and economic development. In order to increase the level of professionalism in the Department, training is required for all members of staff.
4. **Maint. Services – Equipment:** This line item will increase to allow for subscriptions to SurveyMonkey, Constant Contact, Retail Lease Trac or Plain Vanilla Shell, and an additional user account on the building permit software.

**Fire & Police Commission**

The Fire and Police Commission provides for hiring and promotions to sworn personnel in the Fire and Police departments. Additional duties include hearing disciplinary and termination cases regarding sworn personnel. Eligibility lists for police officers and firefighters are good for two years, while promotional testing for fire lieutenants and captains, as well as police sergeants and lieutenants are good for three years.

The budget for the Fire and Police Commission represents a nominal increase in professional services to accommodate for testing and hiring procedures.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Police Department**

The Mission of the Westchester Police Department is to work with all citizens to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. Our department's goal is to assist citizens in preventing crime. Our department's focus is to serve the community at large, improve community awareness, and to continue citizen education by offering tips how not to be a victim of a crime.

The department is budgeted with three divisions: operations, records, and emergency management. The Operations Division consists of items related to providing services to the community. The Records Division consists of the salaries of the record clerks that maintain all of the official police documents. Emergency management consists of planning and preparation to address major emergencies within the Village, i.e. flooding, tornados.

**Emergency Management**

The Emergency Management division of the Village operates to ensure adequate response to a variety of emergency events that may occur in the Village.

The Emergency Management Agency is made up of volunteers and collaborates with the Police Department. This budget includes the addition of a small stipend for the Emergency Management Agency Coordinator, who currently serves as a volunteer.

Budget for the Fiscal Year Beginning 5/1/2015

**Fire Department**

**Westchester Fire Department Mission Statement**

The Mission of the Westchester Fire Department is to adequately provide for the protection of lives and property for the community. The Fire Department will respond to and assist the community when incidents including fire, medical, specialized rescue, hazardous materials, natural and manmade disasters, and all other matters generally accepted as the responsibility of the Fire Department occur.

**Westchester Fire Department**

The Village of Westchester Fire Department serves 16,718 residents in a community over 4.4 square miles. Westchester consists of 7,123 housing units, with 35% of our population consisting of children under 14 and adults over 65 years old. As you are aware, Westchester is home to its own grade school district, Divine Infant School, Divine Providence School, St. Joseph High School, two community centers, and numerous churches. Westchester is positioned in the main transportation corridor into Chicago. The Village is also home to Westbrook Corporate Center that increases our daily population to over 30,000 people. Although we are mainly residential, we are home to many small businesses and light manufacturing facilities.

The Westchester Fire Department is a Class 3 ISO rated fire department. We provide fire suppression, ALS Emergency Medical Services, fire prevention, public education, fire investigation, hazardous materials mitigation, and various levels of technical rescue services. Westchester provides one of three technical rescue units in the region and supplies equipment and manpower to the State of Illinois Terrorism Task Force Technical Rescue Response Team as well as the regional and statewide Hazardous Materials Response Team.

The Westchester Fire Department is a career 28 member fire department. We utilize the traditional 3 platoon system. Operations occur from two fire stations, staffed 24 hours a day, 7 days a week, 365 days a year. Our current fleet of apparatus consists of (2) Engines (2008, 2009), (1) Quint ladder truck (1999), (1) Heavy Rescue Squad (2013), (2) ALS ambulances (2005, 2014), Technical Rescue Support Trailer (1996) pulled by (1) F350 pickup truck (1997), (2) automobiles (2001, 2009), and the popular Fire Safety House (1994). All except one ambulance and one engine are staffed and in full service. In addition to our first due response, we are also auto-aid companies to the communities of Hillside, Bellwood, Broadview, and Oak Brook, increasing our initial primary response area to over 20 square miles and a total residential population of over 64,300 people.

**2014-15 Fire Department Update**

The fire Department has been working on updating policies and procedures that were either non-existent or needed to be reviewed and updated to help reduce various safety risks for its employees and their residents. Along with reviewing the current risk management models, has also begun the daunting task of reviewing, updating, and creating our Standard Operating Procedures (SOPs) and Standard Operating Guidelines (SOGs). Referencing the Village Personnel Policy Manual, Union Contract, IRMA practices, Federal law, State Statutes, Local Ordinances, and current fire service practices while

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

reviewing and rewriting these policies. The process is being done as to look at if the fire department is using the best practices available for our members' safety. Along with the safety aspect, the end goal is to have an easily accessible and user friendly set of SOPs and SOGs for all members to use for their benefit.

Although the Fire Department has used FIREHOUSE software for its reporting system, we recently upgraded to FIREHOUSE Web allowing access of this reporting software, anywhere there is a secure internet connection. We have also expanded our use of this software to include maintenance records, inventory records, hydrant records, hose records, public education appearances, and training.

NORCOMM and the Village are currently working on integrating the Computer Aided Dispatch into the FIREHOUSE reporting software. Using this feature, will allow Officers to seamlessly integrate call information and times into the reporting software. This will ensure consistency in entering data that is submitted downstate on a monthly basis. Ultimately, it will allow us to keep consistent data between the Fire Department and NORCOMM.

#### **Fire Prevention Bureau**

The Fire Prevention Bureau has been very active in 2014. The Fire Prevention Bureau is currently staffed 6 personnel who have been trained and participate in on-going inspection training. In September the staffing was increased from 4 to 6 inspectors. The 2 additional inspectors are currently being mentored by the more experienced inspectors and are close to completing inspections entirely on their own. I have sent an inspector to Juvenile Fire Setters and 2 other Fire Inspectors to the Fire and Life Safety Educator Class. The Inspector that is currently responsible for Public Education is in the process of planning and implementing new Public Education Curriculum.

Public relations appearances increased this year and the fire department was visible at the various Village special events. Myself, along with many of the firefighters visited schools, block parties, and various community gatherings to bring our fire safety message to the community. We have also participated in career days at St. Joes High School and the Westchester Middle School, read a story at Dr. Seuss Day at the Westchester Primary School, and hosted fire stations tours throughout the year. As always, the fire stations is always available for residents to come in and have their blood pressures taken. Numerous CPR classes have been held for residents and upon special request for the local businesses.

#### **Vehicle and Building Maintenance**

Our preventative maintenance program has started to show the long term savings in regards to repairs on vehicles and building needs. I have also reviewed vendors in regards to vehicle maintenance and vendors which supply parts for our vehicles to make sure that the village is receiving the best service for the best value. My building maintenance officer and I walked through the fire stations which now are close to 60 years old to evaluate them and start planning for future repairs and upgrades that may be necessary. There are some larger improvements or upgrades that are being requested on my budget this year.

You may have noticed improvements that have been performed around the fire stations. We have installed awnings on the south and east side of station 1 and an awning in the rear of station 2. This has made an aesthetically pleasing look to both station and protects residents from the weather when they

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

visit the fire stations for various reasons. This spring the Apparatus door at station 2 will be installed to replace the current one that is damaged. Also, this spring the concrete pad and stairs in the rear of station 1 will be replaced. This was delayed from last fall due to the shortage of concrete and then the weather has been unfavorable ever since.

Station one is currently in the process of having an emergency generator installed. This is a very welcome piece of equipment that will generate power for the living quarters, the HVAC systems, radios, phones, and apparatus floor garage door openers. Prior to this, in the event of a power outage, the apparatus doors had to be manual raised and lowered and the power within the fire station was very limited. This was funded by a state grant along with other improvements for the Village's infrastructure.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Public Works**

The Public Works Department provides essential services which enhance the lives of residents, businesses, and the community in general. Maintenance of public right of ways which promote public safety are the primary function of the department which include pavement patching, resurfacing, crack filling, pavement striping, snow and ice removal, tree trimming, removal of dead or diseased/dying parkway trees, maintenance and replacement of traffic signs, brush collection, street sweeping, maintenance of public buildings and property, fleet maintenance, storm sewer cleaning and repairs, leaf collection, street light repair, curb and gutter replacement, sidewalk replacement, catch basin cleaning, and storm water management.

The Department also works closely with community groups and other Village departments to provide assistance as needed.

**Village of Westchester  
Annual Operating Budget  
Fiscal Year 2016  
(May 1, 2015 to April 30, 2016)**

**UTILITIES FUND**

Village of Westchester  
Utilities Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Utilities Fund**

The Utilities Fund is operated as an enterprise fund, and therefore seeks to utilize business-type operations to provide water, sanitary sewer, and refuse services to the Village. The Utilities Fund includes water distribution, sewer transmission, and refuse collection.

Westchester receives its water from the Broadview Westchester Joint Water Agency, which contracts with the City of Chicago to purchase a Lake Michigan Water Allocation. Village wastewater is processed through the Metropolitan Water Reclamation District. Refuse collection in the Village is on a contract with Waste Management.

The Village currently has 6,872 residential utilities accounts, 240 commercial accounts, and 11 industrial accounts. Utility customers are billed quarterly for water, sewer, and refuse service.

**Village of Westchester  
Utilities Fund  
Budget for the Fiscal Year Beginning 5/1/2015**

**Revenues**

The primary sources of revenue in the Utilities Fund are user fees.

**Charges for Service**

Refuse Collection – The Village collects revenue to pay for refuse collection in the Village.

Water Sales – A nominal increase is budgeted on water rates to offset the 4% increase passed on to the Village from the Broadview Westchester Water Agency.

Meter Sales – Commercial customers in the Village purchase their own water meters. Revenue from these sales occurs only during new construction or renovations/repairs on existing property.

Sewer Fees – A nominal increase is budgeted on sewer rates to offset capital sewer needs.

Penalties – A penalty of 10% is imposed on past due balances.

**Other Income**

Interest income – No significant increases are expected on interest income Village-Wide as rates of return on Village

Reimbursement – The utilities fund receives reimbursement for the leaf bag program and from the employee share of health insurance costs deducted during the payroll process.

Detail of Utilities Fund Revenues appears on the following page.

Village of Westchester  
Utilities Fund  
Budget for the Fiscal Year Beginning 5/1/2015

**Utilities Fund Expenditures**

The largest portion of expenditures in the Utilities Department is contractual services. These are comprised of fees paid to Waste Management for refuse collection and to the Broadview Westchester Water Agency to purchase water for the Village. Only nominal increases are applied to these expenses for the 2015-16 fiscal year to accommodate increases charged to the Village.

The personnel services portion of the Utilities Department budget represents costs established through collective bargaining agreements.

Detail of Utilities Fund Expenditures appears on the following page.

**Village of Westchester  
Annual Operating Budget  
Fiscal Year 2016  
(May 1, 2015 to April 30, 2016)**

**MOTOR FUEL TAX FUND**

Village of Westchester  
Motor Fuel Tax Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The Motor Fuel Tax Fund is used to account for the receipt of the State's MFT allotment to the Village. The State allocates MFT funds on a per capita basis. The State of Illinois places restrictions on the use of these funds; as such the Motor Fuel Tax operates as a Special Revenue Fund.

**Revenues**

The primary source of revenue in the Motor Fuel Tax Fund is the MFT allotment from the State of Illinois.

**Intergovernmental**

Allotment Income – The distribution of MFT revenue is based on population. The Illinois Municipal League is predicting that the local share of Motor Fuel Tax revenue will decrease by 1.4% to a per capita rate of \$24.30. This projection includes several unknown factors, the largest of which being the potential increase in the cost of gasoline.

**Other Income**

Interest Income – The Village anticipates spending cash on hand to finish some road projects and therefore depleting some fund reserves from previous years; therefore interest earnings in for the 2015-16 Fiscal Year are expected to be minimal.

Misc Other Income – This amount is derived from the credit the Village receives from the Build America Bonds in conjunction with the 2010A Bond Issuance.

**EMERGENCY 911 FUND**

Village of Westchester  
E911 Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The Emergency 911 Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions placed upon its use. In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of operating and maintaining a dispatch center for emergency communication. Emergency 911 expenditures are recorded both in this fund and in the General Fund.

**Revenues**

**Local Taxes**

Landline 911 Tax - The Village imposes a \$1.50 per line tax on landlines. A small decrease in this revenue stream is noticed as consumers choose to eliminate their landline service in favor of wireless phones.

**Intergovernmental**

Wireless 911 Tax – A 911 cellular phone tax is collected by the State with a portion of it (currently around \$0.48/phone) remitted back to the Village.

**Charges for Service**

911 Alarm Fees – The Village charges \$13.50/month for wireless alarm fees. During the 2011/12 Fiscal Year, these fees were moved to the General Fund.

**Other Income**

Interest Income – Interest in the E911 Fund is expected to be nominal as the Fund does not maintain a large cash balance.

**Expenditures**

The expenditures in this fund relate to the communication infrastructure within the Village. The breakdown of these expenditures has changed drastically due to the Village's outsourcing of 911 dispatching.

Annual Operating Budget  
~~Fiscal Year 2016~~  
(May 1, 2015 to April 30, 2016)**

**HOTEL / MOTEL TAX FUND**

**Village of Westchester  
Hotel /Motel Fund  
Budget for the Fiscal Year Beginning 5/1/2015**

The Hotel/Motel Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions upon its use. In this case, the Hotel/Motel tax is restricted for the use of tourism related expenditures within the Village. Previously, these tourism expenses largely related to the Westchester Fun Fest expenses. Last year brought about a change for tourism and community events within the Village. We hosted a variety of smaller events throughout the year designed to foster community spirit and cultivate a welcoming, entertaining, and inviting environment for residents and visitors of Westchester. We plan to once again offer the community and visitors with events which cater to a variety of tastes. These events are planned and executed by a team of staff and volunteers.

**Revenues**

**Intergovernmental**

Hotel/Motel Tax – Hotel/Motel Tax is collected at a rate of 5% and is received quarterly from vendors in the Village. Hotel/Motel Tax revenues are expected to remain flat.

**Other Income**

Interest Income – Interest is expected to be nominal due to both the relatively low cash balance kept in the fund as well as low interest rates in the market.

Event Sponsorship– The bulk of event sponsorship was received for the largest event, the BBQ Block Party. The team plans to offer event sponsorship opportunities in the next season as well. This additional revenue is expected to remain flat.

**Expenses**

Since Westchester will again be hosting a variety of events, the expenses will be attributed to these. Expenses are broken into Contractual Services, Personnel Costs associated with staffing events, and Commodities. Expenses are projected to be higher than last year, due to more accurate budgetary numbers based on last year's event experience.

Fiscal Year 2016  
(May 1, 2015 to April 30, 2016)**

**DEBT SERVICE FUND**

Village of Westchester  
Debit Service Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The Debit Service was created by ordinance in conjunction with the 2013 Bond Issue. It's use is to separately track the bond payments.

**Revenues**

The only revenue in this fund will be a transfer in from the Capital Projects Fund, where the Non Home Rule Sales Tax is recorded.

**Expenses**

The only expense in this fund will be the bond payments for the 2013 Alternate Revenue Bonds.

Fiscal Year 2016  
(May 1, 2015 to April 30, 2016)**

**CAPITAL PROJECTS FUND**

Village of Westchester  
Debit Service Fund  
Budget for the Fiscal Year Beginning 5/1/2015

The Capital Projects Fund was created at the end of FY 2013 to account for the Capital Expenditures spent out of the 2013 Alternate Revenue Bonds designated for street improvement projects within the Village.

**Revenue**

Non Home Rule Sales Tax – On November 6, 2012, Westchester voters approved a 1% Non-Home Rule Sales Tax. This tax took effect on January 1, 2013. According to the Illinois Department of Revenue, the Village can expect annual revenue of \$630,000. Proceeds from this revenue stream must be used for infrastructure improvements.

**Expenses**

Expenses in this fund are limited to infrastructure improvements. The Public Works Director, under the advice of the Village Board, has created a street improvement program that will down spend the bulk of the bond proceeds.

The other item that will appear in this fund in the future is a transfer out to the debt service fund to make the bond payments for the 2013 Series Alternate Revenue Bonds.
