April 24, 2020

The Honorable Paul Gattuso, Village President  
Village Board of Trustees  
Citizens of Westchester

On behalf of the Village staff, it is my pleasure to present to you the Village of Westchester's Annual Operating Budget for the fiscal year commencing May 1, 2020 and ending April 30, 2021. The FY 2021 Budget was developed by the Village's Management Team consisting of the Village Manager, Police Chief, Fire Chief, Community Development Director, Public Works Director, and Information Technology Manager.

The Village's proposed FY 2021 Budget establishes the Village's fiscal policy for programs and services provided to its residents for the fiscal year beginning May 1, 2020. This budget provides the legal framework for the Village of Westchester to perform its duties and fulfill its financial obligations. This budget provides the spending authorization for the following funds:

General Fund  
Utilities Fund (Enterprise Fund)  
Motor Fuel Tax Fund (Special  
Revenue Fund) E-911 Fund (Special  
Revenue Fund) Hotel/Motel Tax  
Fund (Special Revenue Fund) Debt  
Service Fund  
Capital Projects Fund  
Roosevelt Rd. TIF Fund  
Cermak-Oxford St. TIF Fund

The FY 2021 Budget has been prepared to address the operation, maintenance, capital expenditure and debt service needs of the Village of Westchester. As with other municipalities in the Chicago metropolitan area, the Village has been impacted at the local level by regional, state, and national economic conditions, as well as the pandemic that we are currently experiencing.

The Village property tax base is founded primarily in its residential housing stock. The assessed value of Westchester properties increased substantially in 2017 based on the triennial reassessment of property values; the Village's Equalized Assessed Value (EAV) increased from the 2016 amount of \$455,125,517 to \$536,677,571 in 2017 based on the reassessment, which is a 17.9% increase from the prior fiscal year. FY 2021 budgeted property tax revenue of \$6.88 million is 37.5% of the total revenue in the General Fund, with roughly \$2.55 million of property taxes needed to fund the police and fire pensions.

Personnel and benefit costs are by far the largest cost to the Village and represent approximately 70% of the total expenditures for the General Fund (only) and 42% for the entire budget. The vast majority of the Village's personnel are covered under five collective bargaining units. Part-time employees are not included in bargaining units. The FY 2021 expenditures provide for estimated salary adjustments to labor agreements in negotiation. The collective bargaining units include the following:

**Contract Expiration Date**

Sergeants	April 30, 2021
Police Patrol	April 30, 2020 (in negotiations)
Paramedics and Firefighters	April 30, 2021
Police Records/ CSO Officers	April 30, 2021
Public Works Maintenance	April 30, 2022

All full-time personnel working for the Village are offered health insurance, life insurance, and by law are enrolled in a defined benefit pension plan. Civilian employees belong to the Illinois Municipal Retirement Fund, sworn police officers belong to the Westchester Police Pension Fund, and sworn firefighters belong to the Westchester Fire Pension Fund.

**Budget Formulation**

The Village's Annual Budget is developed by Village staff using revenue assumptions to determine the appropriate Village spending level.

The Village's major revenue sources are property tax, sales tax, utility taxes and the state income tax. State income tax is shared by the State of Illinois on a per capita basis. As revenue assumptions are formulated, the Department Directors meet with the Village Manager to formulate the proposed budget presented to the Board of Trustees.

Since the pandemic, the Village has reduced its estimated revenues to account for four months of a shutdown. It has also looked at revenue estimates from the State of Illinois and the Illinois Municipal League for guidance.

**Fund Balances**

The Village's budget does not require the use of accumulated reserves (fund balance) to balance its FY 2021 Budget. In fact, it projects a surplus for the year in both the General Fund and Utility Fund.

Fund summary sheets have been presented in this budget document that show prior years' actual and projected fund balance for FY 2020 and FY 2021.

**General Fund**

Total General Fund revenues for the 2021 Fiscal Year are budgeted at \$18.34 million. This represents an increase of \$2.61 million or 16.6% from the FY 2020 budgeted revenue \$15.73. The majority of this increase is attributed to garbage fee revenue (pg.15). The property tax levy has also been increased by the allowable CPI increase of 1.9% of the prior year's tax extension.

A steady decline in various revenues over the past many fiscal years is concerning to the Village. While the Village increases the property tax levy on an annual basis, that increase is being allocated in larger to amounts to the police and fire pensions to accommodate increasing pension expenses. For FY 2021, the Village has budgeted \$6.88 million for real estate taxes as compared to the projected revenues in Fiscal Year 2020 of \$6.59 million, a 4.4% increase.

Through passage of Village Ordinance No. 2019-2315, the Village will impose a \$0.03 per gallon motor fuel tax, effective December 1, 2019. This additional revenue is projected at \$200 thousand for FY 2021 and can be used for general purposes.

Intergovernmental revenue of \$3.93 million (Personal Property Replacement Tax, Income Tax, Sales Tax, Use Tax, and state and federal grants) makes up 21.5% of the General Fund budgeted revenues in FY 2021. The Village has projected to receive \$3.47 million in FY 2020. Compared to the FY 2020 Budget, these revenues show an increase of \$156.5 thousand, or 4.14%. The Village expects to be aggressive in its pursuit of grant funding in FY 2021.

Total General Fund expenditures for FY 2021 are budgeted at \$18.16 million, an increase of \$2.55 million. Of this increase, \$1.57 million is attributed to the allocation of garbage service expenditures to the General Fund from the Utility Fund. Without the effect of this reallocation, General Fund expenditures are budgeted to increase \$0.98 million or 6.3%.

### **Special Revenue - Motor Fuel Tax Fund**

Motor Fuel Tax funds are restricted by the State of Illinois per State Statute. In March 2020, the Village issued \$4,885,000 of General Obligation Bonds (Motor Fuel Tax Alternate Revenue Source), Series 2020 to fund street reconstruction and repair and to refund the remaining Taxable General Obligation Bonds, Series 2010A Bonds. This refunding has garnered a \$184 thousand net present value savings to the Village for debt service. Along with these savings, \$2.986 million is new money available for road and street repair. As with the 2010A Bonds, the debt service will be made from the Motor Fuel Tax Allotments received from the State of Illinois. Of the Motor Fuel Tax Funds collected by the State, 54.4% of distributable amount is allocated as the Local Portion; 46.1% of this amount is allocated to the municipalities, and Westchester receives a monthly allocation based on per capita. The Illinois Municipal League (IML) provides estimates of municipal per capita distributions, which are considered by the Village for budget estimates. For the State FY 2020, the IML predicts the municipal share to be \$24.30 per capita, with FY 2021 projected at \$24.85 per capita. Starting July 1, 2019, the motor fuel tax was doubled to 38 cents per gallon. The Village will expect to see an increase in motor fuel taxes in FY 2021. IML estimates \$16.87 per capita with the additional tax.

### **Special Revenue - Hotel/Motel Tax Fund**

The Hotel/Motel Tax Fund is a restricted fund established to promote the Village through tourism. The revenue sources for the fund are from the 5% Hotel/Motel Tax imposed on the Four Points by Sheraton, the Newspaper Ad revenue (offset by the newspaper expenses which promotes the Village), and donations to sponsor Village-wide events. Expenditures included in this fund promote tourism in the Village and include contractual services for Village special events. The lone hotel in the Village was closed for several months for renovations. Along with a shutdown due to the pandemic, revenue is projected to come in significantly under budget for FY 2020, and is projected down again for FY 2021 compared to past years.

### **Special Revenue – E-911 Fund**

In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of maintaining emergency communications. All emergency 911 expenditures such as dispatch services are accounted for in this fund. The Village outsourced its E-911 dispatch function effective October 31, 2013. In 2016, the Village entered into the Proviso-Leyden Joint 911 Authority with several neighboring municipalities. A tax of \$0.87 per line on landlines and on wireless users is imposed and collected by the State of Illinois. This is then distributed to the Proviso-Leyden Joint 911 Authority and allocated to the individual members of the Joint 911 Authority.

## **Capital Projects Fund**

The Capital Projects Fund was created in Fiscal 2013 to account for the capital expenditures spent from the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013 restricted for infrastructure improvement projects within the Village. The Village was initially approved for a Bond Issuance of \$8,800,000 however elected to only issue \$5,800,000. In May 2015 the Village issued the remaining \$2,200,000.

In the November 6, 2012 primary election, the Village residents passed a referendum authorizing a one percent non-home rule sales tax. These taxes were assessed beginning January 1, 2013. These taxes are projected at just under \$700 thousand for FY 2020, with \$700 thousand budgeted for FY 2021. Proceeds from this revenue stream are restricted for infrastructure improvements and debt service on both the Series 2013 and Series 2015 bonds. The budget includes an annual transfer out to the debt service fund of almost \$558 thousand for the total debt service requirement on both of the respective bond issues.

The infrastructure funding for road projects was received and spent in prior years. The fund is currently paying for debt service, and \$560,831 is budgeted for debt payments for 2020.

## **Debt Service Fund**

The Debt Service Fund was created in Fiscal Year 2013 to account for debt service expenditures on the \$5,800,000 Series 2013 General Obligation (Alternate Revenue Source) Bonds issued on March 12, 2013. In May 2015, the Village issued General Obligation Series 2015 Bonds in the amount of \$2,200,000. This was part of the initial board-approved issuance of up to \$8,800,000 in GO bonds.

The revenue source for this fund to pay debt service on the two aforementioned bond issues is a transfer in from the Capital Projects Fund, where proceeds of the Non-Home Rule Sales Tax are recorded. Annual debt service expenditures approximate \$558 thousand through December 2034 (FY 2035).

## **Utility Fund**

The utility rates are adopted by Village ordinance in order to cover labor costs and capital project costs, in addition to offsetting the increase in water rates from the City of Chicago. Per Village Ordinance No. 2017-2237, the water rate will increase from \$10.52 per thousand gallons plus a \$6 Infrastructure Fee (IF) to \$11.32 with an infrastructure fee of \$8. For sewer, the rates of \$1.33 per thousand gallons and a \$6 IF will increase to \$1.37 with an infrastructure fee of \$8. It is likely there will be a rate increase from the City of Chicago, which will offset a part of the Village's increase in revenue. The Village currently pays over \$5 per thousand gallons to buy water; as a result, about 50% of the total revenue produced will be used to purchase water.

In September 2018, the Village was awarded a low-interest loan from the Illinois Environmental Protection Agency (IEPA) loan of up to \$3.52 million for construction of sanitary sewers and other appurtenances (Sunnyside Sewer Project). The FY 2021 Budget includes an increase in capital outlay related to the Sunnyside Sewer Project. These costs will be offset by the IEPA loan. Annual debt service payments will formally begin after the project is completed. The FY 2021 Budget provides for annual debt service estimated at \$193.4 thousand. This loan will be payable for twenty years through 2039.

On September 30, 2011, the Village was awarded a wastewater treatment low-interest loan from the IEPA. This loan financed \$852 thousand payable over 20 years for sewer improvements in the Highridge area of town which includes point repairs to the existing sanitary sewers where necessary, installation of a resin liner in the main sewer lines, and rehabilitating manholes. The project was completed in May 2013. Annual debt service on the loan is approximately \$49,400 through 2032.

In May 2010, The Village issued \$1,610,000 Taxable General Obligation Bonds, Series 2010B to fund infrastructure improvements to the Village's water and sanitary sewer system, specifically the repainting of the interior of the Village's water tower and water main replacements of Fleet and Preston Streets. The debt service on the Series 2010B Bonds is paid from utility revenue. The Series 2010B Bonds were Build America Bonds and, pursuant to the American Recovery and Reinvestment Act, the Village is eligible to receive a rebate from the U. S. Treasury Department of 35% of the interest paid each year. The Sequester Law enacted by Congress on March 1, 2013, reduced this rebate by 7.6%. The annual debt service on the Series 2010B bonds is approximately \$190,000 through the final payment due December 2020.

## **SUMMARY**

The FY 2021 Budget provides funds necessary to finance the continuation of excellent service provided by Village departments to the community, as well as fund several major capital improvements. Although a relatively strong economy has been in place over the past few years featuring record low unemployment rates, local governments have faced increasing financial challenges with flat or even decreasing revenues. With this in mind, the Village has stressed expenditure containment. Controlling expenditures will need to be continually addressed to ensure that the Village operates within its means. Staff will continue to work to hold down and reduce operating costs where possible. Cooperation with groups such as the Metropolitan Mayors Caucus, the Illinois Municipal League, and the West Central Municipal Conference continues to be critical in maintaining a municipal view in Springfield and Washington D.C. on unfunded mandate issues, i.e. homeland security - which was previously provided by the federal government, protection of municipal revenues and the future role of local governments in providing services and programs that have traditionally been provided by the federal/state government.

The FY 2021 Budget document represents a significant effort on the part of the entire senior staff of the Village of Westchester. We would like to commend staff on their diligence and efforts in developing a professional and comprehensive budget document.

Respectfully submitted,

Paul Nosek  
Village Manager

Village of Westchester  
Community Profile  
Budget for the Fiscal Year Beginning May 1, 2020

---

Located approximately 14 miles west of Chicago in Cook County, the Village of Westchester encompasses a 4.5 square mile area and is home to 16,718 residents based on the 2010 United States Census. The Village was incorporated in 1925 and operates as a non-home rule unit of government. The village is primarily residential and commercial in nature, with housing stock consisting of 7,219 units.

The Village operates under a council-manager form of government as defined by the Illinois Municipal Code. The Village President, Village Clerk, and six trustees are elected at large to serve four year terms, with three trustees elected every second year. The Village Attorney is appointed by the Village President, with the advice and consent of the Village Board. The Village Manager is hired by the Village President and Board of Trustees. All department managers are hired by the Village Manager.

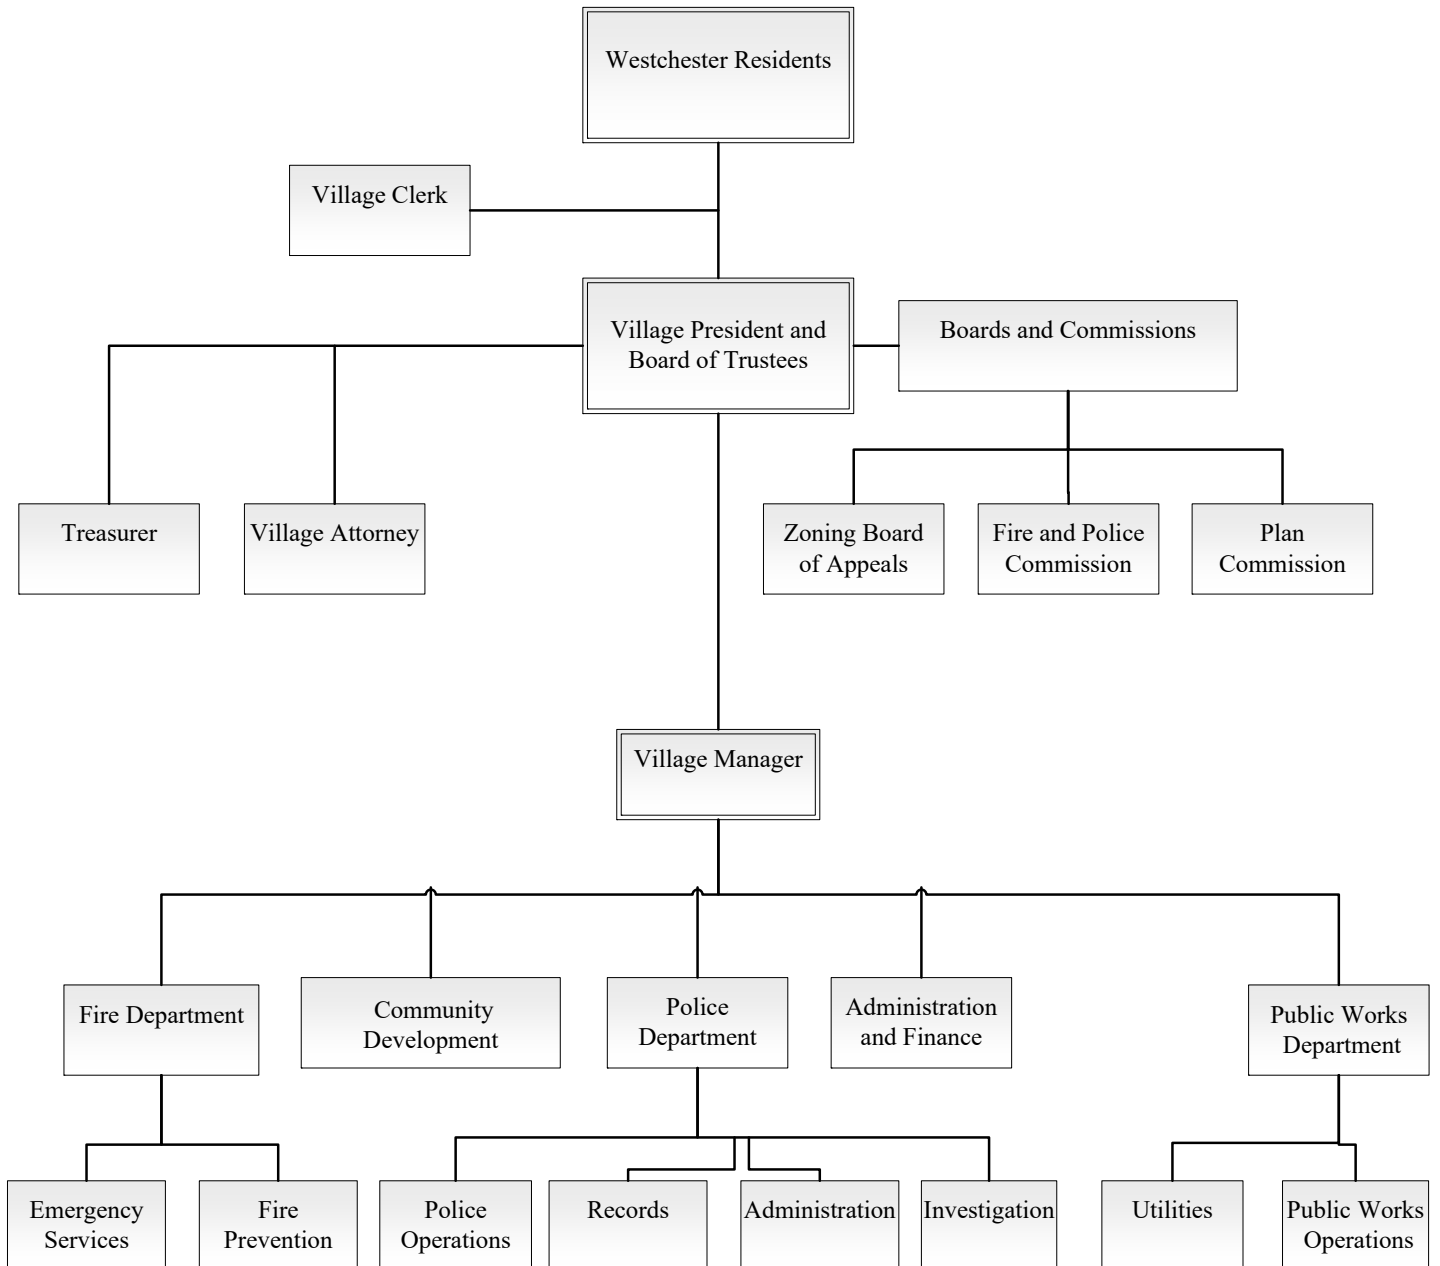

The Village Manager is the chief administrative officer of the Village and is responsible for its day-to-day operations. The Village Manager oversees a full-time staff of five department managers including Finance, Police, Fire, Public Works and Building.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

The General Fund is the Village's primary operating fund. It accounts for the financial resources and uses traditionally associated with general government, except those required to be accounted for in a separate fund.

### **Revenues**

The General Fund derives revenues from a variety of sources. General Fund revenues are separated into the following categories: Local Taxes, Intergovernmental, Licenses & Permits, Charges for Services, Fines & Forfeitures, and Other revenues. Total general fund revenue for the FY 2021 is budgeted to be \$18.34 million. This represents an increase of \$2.61 or 16.6% from the FY 2020 budgeted revenue of \$15.73 million. Further information on General Fund revenues is as follows:

### **Local Taxes**

Local Taxes are taxes levied and imposed by the Village of Westchester.

Property Taxes – Property Taxes are levied by the Village of Westchester. They are based on the assessed value of real property located within the Village. Property values are assessed by Cook County. Taxes are also collected by Cook County and the Village's portion is remitted back to the Village. The property tax levy remains the greatest source of revenue to the Village's General Fund. The Property Tax Limitation Law limits the dollar amount levied from one tax year to another to the lower of 5% or the CPI. The property tax levy is separated into three portions: general purpose, Fire Pension, and Police Pension. The Police and Fire Pension amounts are paid directly to the pension funds, limiting the funds available for the general operating purposes of the Village. FY 2021 budgeted revenue includes general purpose revenue of \$4.34 million which represents a 5.2% decrease over last year. The Police and Fire Pension Funds combine to levy \$2.55 million which represents a 26.3% increase over the prior year's levy. Combined, this year's total tax property tax revenues are budgeted at \$6.88 million, or 4.5% higher than last year's property tax budget of \$6.59 million.

Utility Taxes – The Village collects three types of utility taxes. There is a 6% tax on telephone gross receipts, a 5% equivalent electric tax based on consumption, and a 5% gross receipts natural gas tax. Since Electric and Natural Gas taxes are based on consumption, they fluctuate with weather, usage, and the price of natural gas. The 6% telecommunications tax is based on the amount of telecommunication services our residents purchase. Telecommunications tax continues to see a significant decrease as fewer people are using landlines to communicate.

Places For Eating Tax – The 1% Places for Eating Tax became effective October 1, 2006. For the coming fiscal year, the Village is budgeting \$215 thousand which is down from the prior year's due to the current pandemic. This tax is regarded as a good barometer of the local economy.

Foreign Fire Insurance - These funds are received from insurance companies based outside of the State of Illinois that insure businesses within the Village. They are taxed at a rate of 2% and these funds pass directly through the General Fund and are paid out to the Foreign Fire Insurance Board. The expenditures offsetting this revenue stream is seen in the Fire Department portion of this budget.

Amusement Tax – The Village collects 3% on all amusement sales. The primary source of revenues derived for this budgeted item comes from the golf course in town.

Gaming Tax – The Village currently issues establishments licenses to operate video gaming terminals. This revenue source was budgeted for \$130 thousand in Fiscal Year 2021, \$10 thousand less than the previous year.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

Video Rental Tax – The Village collects 8% on all video rentals. These revenues are nominal.

Cable TV Tax – The Village assesses a 5% tax on cable TV subscriptions. Based on current monthly revenues, this revenue is budgeted to increase in FY 2021 by \$60 thousand.

### **Licenses and Permits**

Building Permits – The amount of fees generated from building activities is budgeted at \$475 thousand in the coming fiscal year, a \$25 thousand increase due to a proposed new development. Historically, building permit revenue has fluctuated from year to year.

Compliance Permits – The Village collects revenue for inspections performed during the building and remodeling process. Village Building Inspectors verify that work done in the Village complies with federal, state, and local building safety codes. For FY 2020, compliance permit revenue is projecting over budget. FY 2021's budget estimates this revenue at \$94 thousand.

Health & Elevator Inspection Fees – The Village pays for health inspections required at local businesses and passes the direct cost onto the applicable business. The elevator inspection fee was updated during the FY 2012 fiscal year to include an administrative fee. Current rates for these inspections are \$95 for a health inspection and \$60 for an elevator inspection.

Planning & Zoning Fees – These fees are nominal and are charged only when the Planning and Zoning Commission is required to meet and assess a recommendation to the Village Board.

Business Licenses – This revenue stream includes licenses for signs, solicitors, and general business. Revenues for the FY 2020 fiscal year are projected to be fairly consistent with the prior year. The FY 2021 budget of \$38 thousand is estimating a slight decrease.

Contractor Licenses – The Village requires contractors wishing to receive a building permit within the Village to be licensed. The licensing process involves providing proof of insurance and bonding. These revenues are expected to remain consistent with prior years at \$95 thousand.

Liquor and Tobacco Licenses – The Village charges licenses fee to sell liquor and tobacco within the Village. These revenues total roughly \$75 thousand and are relatively consistent with prior years.

Vehicle Licenses – The Village issues a license to all vehicles registered within the Village. Licenses are available for purchase during March and April and must be displayed by May 1<sup>st</sup>. Stickers purchased on or after May 1<sup>st</sup> are subject to a late fee equal to the cost of the sticker. The late fees are recognized in the revenue line "Late Fee – Vehicle License". Total revenue budgeted for vehicle stickers and associated late fees are just over \$400 thousand.

### **Intergovernmental**

The Village of Westchester's intergovernmental revenue streams are comprised of the municipal share of taxes levied by the State of Illinois and State and Federal grants or reimbursements. Further detail on intergovernmental revenue is as follows:

Personal Property Replacement Tax – Replacement taxes are revenues collected by the State of Illinois and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes on corporations, partnerships, and other business entities were taken away. The budgeted amount for FY 2021 is \$100 thousand in the General Fund. About 13% of this revenue is required to be allocated to the fire and police pensions, with another 13.5% allocated to the Westchester Public Library.

State Income Tax – Income tax is paid by residents to the state at a rate of 4.95% of their net income. The State then remits a portion of this back to municipalities on a per capita basis. This revenue source is budgeted at \$1.7 million, the same amount projected as revenue in FY 2020.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

Local Use Tax - Local Use Tax is levied by the State of Illinois for the privilege of using, while in Illinois, any item of tangible personal property that is purchased anywhere at retail. The tax is imposed on the user of the item; however, in most cases the tax is paid by the retailer when filing their state tax return. The Local Use Tax rate is 6.25% on general merchandise (including automobiles and other items that must be registered). The rate is 1% on qualifying food, drug, or medical appliances. Twenty percent of the general merchandise collections and one hundred percent of the food, drug, or medical appliance collections are remitted to municipal governments on a per capita basis. This revenue source is budgeted at \$500 thousand for FY 2021, increase of \$30 thousand or 6.4% from the prior year's budgeted amount. FY 2020's projected revenue is \$510 thousand.

### **Charges for Services**

Rubbish - For FY 2021, total charges for services revenue is budgeted at \$2.45 million. This is an increase of \$1.72 million from the prior year. Almost \$1.65 million of this increase is attributed to accounting for garbage fee revenue in the General Fund in FY 2021 instead of in the Utility Fund as in past years. A corresponding garbage collection expenditure is also accounted for in the Public Works Department.

Rent - The Village receives rental revenue from the US Postal Service, as the Village owns the building used by the Post Office. The Village also receives rental revenue from cell phone providers for cell phone towers placed on Village property. Rental revenue determined by contract entered into with the lease; nominal increases are projected.

Ambulance Fees - These fees are assessed when the Westchester Fire Department responds to an emergency call. The fees are billed and collected by a third party. After service fees, net ambulance fee revenue is budgeted at \$580 thousand which is \$80 thousand more than FY 2020's budgeted amount.

### **Fines & Forfeitures**

Police Fines - Fines assessed by the Westchester Police Department in accordance with the Village of Westchester Municipal Code. Revenues for FY 2020 are expected to outperform the budgeted revenues by approximately \$35 thousand. The FY 2021 budgeted amount of \$300 thousand is estimated to be up by \$15 thousand from FY 2020's projection.

Circuit Court Fines - Fines collected by the Circuit Court of Cook County and remitted to the Village. Budgeted revenues of \$20 thousand for FY 2021 are slightly less than FY 2020 budgeted amount.

Code Enforcement Fines - Fines assessed by the Village for violations of Village code.

### **Other Income**

Interest Income - Interest income is derived from cash balances and investments that the Village holds, pursuant to the Village's investment policy. Rates over the previous several years have been historically low. The Village estimates a little over \$30 thousand in interest income in FY 2021.

Sale of Fixed Assets - Occasionally the Village will find itself in possession of a fixed asset that it no longer has a functional use for. Accordingly, the asset would be sold at auction with the consent of the Village Board.

Sidewalk - The Village partners with interested residents to replace sections of sidewalk that are in need of repair. Residents interested in participating in this program contact the Public Works department, and if approved, the cost of sidewalk replacement is split 50/50 between residents and the Village. This revenue line is to track the residents' portion of the sidewalk replacement.

Village of Westchester  
General Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

Loan Proceeds – As part of the Village’s rolling plan to replace vehicles and equipment, the Village has entered into installment purchase agreements to finance these purchases. Proceeds from said loans are recorded as loan proceeds and are budgeted at almost \$747 thousand for FY 2021.

Other Income – The Village will receive miscellaneous revenue that is nonmaterial in nature and is not expected to be recurring. The Village will recognize this revenue under Other Income.

Village of Westchester  
General Fund – Administration/Finance Department  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Administration/Finance Department**

The Administration/Finance Department includes the Legislative, Village Manager and Finance divisions of the Village. The Village Manager is appointed by the Village President with the consent of the Village Board. Village staff report to the Village Manager. It is the role of the Village Manager to direct staff in the daily administration of village services.

Other areas of Administration include:

- Human Resources
- Village Clerk
- Public Relations
- Adjudication
- Legal Services
- Community Events

The Finance area oversees:

- Accounts Payable
- Accounts Receivable
- Revenue collection
- Payroll
- Preparing the Annual Budget and Monitoring Budget performance
- Preparing the Village's annual tax levy
- Maintaining the Village's debt schedules

A summary of the Administration Department's expenditures by object is below:

Object Class	FY 2019 Actual	FY 2020 Budget	FY 2020 Projected	FY 2021 Budget	Change from	Percentage
					FY 2020 Budget	Change from FY 2020 Budget
Personnel	\$ 477,875	\$ 410,503	\$ 518,277	\$ 635,543	\$ 225,040	54.8%

Village of Westchester  
General Fund – Plan Commission/Zoning Board of Appeals  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Plan Commission / Zoning Board of Appeals**

The Plan Commission makes recommendations on:

- Changes to the Village's Comprehensive Plan
- Special uses
- Text amendments to the Village's Zoning Ordinance

The Zoning Board of Appeals makes recommendations on:

- Variations to the Zoning Ordinance
- Appeals of decisions by the Director of Community Development

Both commissions are only recommending bodies. The Village Board has the right to accept, reject or modify the recommendation of these commissions.

The Plan Commission makes recommendations on or changes to the Village's comprehensive plan and zoning code. The Zoning Commission makes recommendations on variations to the zoning code. Decisions by either commission must be approved or denied by the Village Board.

A summary of Plan Commission/Zoning Board of Appeals expenditures by object is below:

Village of Westchester  
General Fund – Community Development Department  
Budget for the Fiscal Year Beginning May, 2020

---

**Community Development Department**

The Community Development Department is responsible for economic development, building permitting, code enforcement, and planning & zoning. There are many tasks that Community Development is responsible for within these disciplines. The Department's mission is to encourage a healthy, safe and prosperous community through programs and activities that benefit the residential and business sectors.

**ECONOMIC DEVELOPMENT**

- Business Recruitment
- Business Retention
- Marketing the Village
- Communication with Business Sector
- Staff Liaison to the Economic Development Commission
- Represent the Village at various regional events
- Implementing Village policies related to economic development

**BUILDING PERMITTING**

- Building Plan Review & Processing
- Issue Permits for various types of building activities, including, but not limited to, demo, reconstruction, rehab, and residential accessory structures like pools, patios, driveways.
- Review Plans for mechanical, electrical, plumbing, structural, energy conservation code
- Perform inspections of mechanical, electrical, plumbing, structural and health and sanitation inspections
- Processing Permit (Collecting Bond, Insurance, and Licenses, coordinating approvals.)
- Coordinate reviews with other departments
- Building Code update
- Code interpretation

**PLANNING AND ZONING**

- Process rezoning, variations, special uses, subdivisions, planned unit developments
- Guide Applicants through the Entitlement Process
- Long Range & Short-Range Planning (i.e. Comprehensive Plan update and sub-area plans)
- Coordinate with other departments & other agencies (IDOT, IEPA, Cook County)
- Zoning Code Administration
- Staff liaison to the Plan Commission and the Zoning Board of Appeals
- Provides demographic information

Village of Westchester  
General Fund – Fire & Police Commission  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Fire & Police Commission**

The Fire and Police Commission provides for hiring and promotions to sworn personnel in the Fire and Police departments. Additional duties include hearing disciplinary and termination cases regarding sworn personnel. Eligibility lists for police officers and firefighters are good for two years, while promotional testing for fire lieutenants and captains, as well as police sergeants and lieutenants are good for three years.

The 2020 budget for the Fire and Police Commission represents a nominal increase in professional services to accommodate for testing and hiring procedures. The budgeted exams for 2020 are for Police Sergeants and entry-level Patrol Officers.

A summary of Fire & Police Commission expenditures by object is below:

Object Class	FY 2019 Actual	FY 2020 Budget	FY 2020 Projected	FY 2021 Budget	Change from FY 2020 Budget	Percentage Change from FY 2020 Budget

Village of Westchester  
General Fund – Police Department  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Police Department**

The Mission of the Westchester Police Department is to work with all citizens to preserve life, maintain human rights, protect property, and promote individual responsibility and community commitment. Our department's goal is to assist citizens in preventing crime. Our department's focus is to serve the community at large, improve community awareness, and to continue citizen education by offering tips how not to be a victim of a crime.

The department is budgeted with three divisions: operations, records, and emergency management. The Operations Division consists of items related to providing services to the community. The Records Division consists of the salaries of the record clerks that maintain all of the official police documents. Emergency management consists of planning and preparation to address major emergencies within the Village, i.e. flooding, tornados.

Village of Westchester  
General Fund – Emergency Management Agency  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Emergency Management Agency**

The Emergency Management Agency of the Village operates to ensure adequate response to a variety of emergency events that may occur in the Village.

The Emergency Management Agency is made up of volunteers and collaborates with the Police Department. This budget includes the addition of a small stipend for the Emergency Management Agency Coordinator, who currently serves as a volunteer.

A summary of Emergency Management Agency expenditures by object is below:

Object Class	FY 2019 Actual	FY 2020 Budget	FY 2020 Projected	FY 2021 Budget	Change from FY 2020 Budget	Percentage Change from FY 2020 Budget

Village of Westchester  
General Fund – Fire Department  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Mission Statement**

The Mission of the Westchester Fire Department is to adequately provide for the protection of lives and property for the community. The Fire Department will respond to and assist the community when incidents including fire, medical, specialized rescue, hazardous materials, natural and manmade disasters, and all other matters generally accepted as the responsibility of the Fire Department occur.

**Westchester Fire Department**

The Village of Westchester Fire Department serves 16,718 residents in a community over 4.4 square miles. Westchester consists of 7,123 housing units, with 35% of our population consisting of children under 14 and adults over 65 years old. As you are aware, Westchester is home to its own grade school district, Divine Infant School, Divine Providence School, St. Joseph High School, two community centers, and numerous churches. Westchester is positioned in the main transportation corridor into Chicago. The Village is also home to Westbrook Corporate Center that increases our daily population to over 30,000 people. Although we are mainly residential, we are home to many small businesses and light manufacturing facilities.

The Westchester Fire Department is a Class 2 ISO rated fire department. We provide fire suppression, ALS Emergency Medical Services, fire prevention, public education, fire investigation, hazardous materials mitigation, and various levels of technical rescue services. Westchester provides one of three technical rescue units in the region and supplies equipment and manpower to the State of Illinois Terrorism Task Force Technical Rescue Response Team as well as the regional and statewide Hazardous Materials Response Team. The Westchester Fire Department is a career 28-member fire department. We utilize the traditional 3 platoon system. Operations occur from two fire stations, staffed 24 hours a day, 7 days a week, 365 days a year.

A summary of Fire Department expenditures by object is below:

Village of Westchester  
General Fund – Public Works Department  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Public Works Department**

The Public Works Department provides essential services which enhance the lives of residents, businesses, and the community in general. Maintenance of public right of ways which promote public safety are the primary function of the department which include pavement patching, resurfacing, crack filling, pavement striping, snow and ice removal, tree trimming, removal of dead or diseased/dying parkway trees, maintenance and replacement of traffic signs, brush collection, street sweeping, maintenance of public buildings and property, fleet maintenance, storm sewer cleaning and repairs, leaf collection, street light repair, curb and gutter replacement, sidewalk replacement, catch basin cleaning, and storm water management.

The Department also works closely with community groups and other Village departments to provide assistance as needed. Below is a summary of the Public Works Department expenditures by object:

Object Class	FY 2019 Actual	FY 2020 Budget	FY 2020 Projected	FY 2021 Budget	Change from	Percentage
					FY 2020 Budget	Change from FY 2020 Budget
Personnel	\$ 972,375	\$ 850,678	\$ 641,700	\$ 970,973	\$ 120,295	14.1%
Contractual Services	547,859	632,500	2,123,755	2,311,450	1,678,950	265.4%
Commodities	315,342	167,000	196,750	305,250	138,250	82.8%
Debt Service	147,184	86,577	66,558	92,430	5,853	6.8%
Total Operating Expenditures	1,982,760	1,736,755	3,028,763	3,680,103	1,943,348	111.9%
Capital Outlay	175,403	262,500	233,450	226,300	(36,200)	-13.8%
Total Public Works Expenditures	<u>\$2,158,163</u>	<u>\$1,999,255</u>	<u>\$3,262,213</u>	<u>\$3,906,403</u>	<u>\$ 1,907,148</u>	95.4%

Village of Westchester  
Utility Fund  
Budget for the Fiscal Year Beginning May 1, 2020

**Utility Fund**

The Utility Fund is operated as an enterprise fund, and therefore seeks to utilize business-type operations to provide water, sanitary sewer, and refuse services to the Village. The Utilities Fund includes water distribution, sewer transmission, and refuse collection. Westchester receives its water from the Broadview Westchester Joint Water Agency, which contracts with the City of Chicago to purchase a Lake Michigan Water Allocation. Village wastewater is processed through the Metropolitan Water Reclamation District. Refuse collection in the Village is on a contract with Waste Management. Utility customers are billed monthly for water, sewer, and refuse service.

Below is a summary of the change in net position in the Utility Fund:

	FY 2019 Actual	FY 2020 Budget	FY 2020 Projected	FY 2021 Budget	Change from FY 2020 Budget	Percentage Change from FY 2020 Budget

Village of Westchester  
Utility Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Utility Fund Revenues**

The primary sources of revenue in the Utilities Fund are user fees.

**Charges for Service**

Water Sales – Beginning May 1, 2020, water fees will be billed at a rate of \$11.32 per thousand gallons, customers are billed based on actual usage. Additionally there is an \$8.00 monthly infrastructure fee charged to each utility account.

Meter Sales – Commercial customers in the Village purchase their own water meters. Revenue from these sales occurs only during new construction or renovations/repairs on existing property.

Sewer Fees – Beginning May 1, 2020, sewer fees are based on actual water usage and billed at a rate of \$1.37 per thousand gallons. Additionally, there is an \$8.00 monthly infrastructure fee charged to each utility account.

Penalties – A penalty of 10% is imposed on past due balances.

**Other Income**

Interest income – No significant increases are expected on interest income Village-Wide as rates of return on Village

Reimbursement – The utilities fund receives reimbursement for the leaf bag program and from the employee share of health insurance costs deducted during the payroll process.

**Utility Fund Expenses**

The largest portion of expenses in the Utilities Department is contractual services. These are comprised of fees paid to Waste Management for refuse collection and to the Broadview Westchester Water Agency to purchase water for the Village.

The personnel services portion of the Utilities Department budget represents costs established through collective bargaining agreements.

Village of Westchester  
Motor Fuel Tax Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Motor Fuel Tax Fund**

The Motor Fuel Tax Fund is used to account for the receipt of the State's MFT allotment to the Village. The State allocates MFT funds on a per capita basis. The State of Illinois places restrictions on the use of these funds; as such the Motor Fuel Tax operates as a Special Revenue Fund.

**Revenues**

The primary source of revenue in the Motor Fuel Tax Fund is the MFT allotment from the State of Illinois.

Allotment Income – The distribution of MFT revenue is based on population. The Illinois Municipal League is predicting that the local share of Motor Fuel Tax revenue will be decreasing to a per capita rate of \$24.85. This projection includes several unknown factors, the largest of which being the potential decrease in the cost of gasoline.

**Other Income**

Bond Proceeds – The Village issued General Obligation Bonds (Motor Fuel Tax Alternate Revenue Source), Series 2020 Bonds in March 2020. Almost \$2.9 million in bond proceeds will be available to fund street reconstruction and road repair.

Interest Income – Earnings related to the 2020 bond issue will be used along with the proceeds to fund street reconstruction and road repair.

**Expenditures**

Expenditure of Motor Fuel Tax monies requires approval and supervision of the IL Department of Transportation (IDOT). There is a list of permissible uses of MFT funds as noted in the MFT handbook developed by IDOT.

Village of Westchester  
Emergency 911 Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**E-911 Fund**

The Emergency 911 Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions placed upon its use. In this case, Emergency 911 Taxes (both locally imposed and the local share of State taxes) are recorded in this fund for the purpose of maintaining emergency communications. Emergency 911 expenditures are recorded both in this fund and in the General Fund. The Village outsourced its E-911 dispatch function effective October 31, 2013.

Village of Westchester  
Hotel/Motel Tax Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Hotel/Motel Tax Fund**

The Hotel/Motel Fund operates as a Special Revenue Fund. Special Revenue Funds are used when a dedicated revenue source has legal restrictions upon its use. In this case, the Hotel/Motel tax is restricted for the use of tourism related expenditures within the Village. Previously, these tourism expenses largely related to the Westchester Fun Fest expenses. A few years ago brought about a change for tourism and community events within the Village. We hosted a variety of smaller events throughout the year designed to foster community spirit and cultivate a welcoming, entertaining, and inviting environment for residents and visitors of Westchester. We plan to once again offer the community and visitors with events which cater to a variety of tastes. These events are planned and executed by a team of staff and volunteers.

**Revenues**

Hotel/Motel Tax – Hotel/Motel Tax is collected at a rate of 5% and is received quarterly from vendors in the Village. Hotel/Motel Tax revenues are expected to increase with the re-opening of the Hotel with additional floors.

Newspaper Ads – These fees are charged to various businesses wishing to advertise in the Westchester Newsletter, a monthly publication produced by the Village and available for free to Village residents. The advertising revenue collected offsets the expense of producing and distributing the newsletter.

**Expenditures**

Since Westchester will again be hosting a variety of events, the expenses will be attributed to these. Expenses are broken into Personnel Costs associated with staffing events, Contractual Services, and Commodities.

Village of Westchester  
Debt Service Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Debt Service Fund**

The Debt Service Fund is used to account for the bond and interest payments related to the 2013 and 2015 bond issues.

**Revenues**

The only revenue in this fund will be a transfer in from the Capital Projects Fund, where the Non-Home Rule Sales Tax is recorded. The transfers will be used to pay for the debt service associated with the bond issuances.

**Expenditures**

Expenditures in this fund are bond principal and interest payments for the 2013 and 2015 Alternate Revenue Bonds.

Village of Westchester  
Capital Projects Fund  
Budget for the Fiscal Year Beginning May 1, 2020

---

**Capital Projects Fund**

The Capital Projects Fund was created at the end of FY 2013 to account for the Capital Expenditures spent out of the 2013 Alternate Revenue Bonds designated for street improvement projects within the Village.

**Revenue**

Non-Home Rule Sales Tax – On November 6, 2012, Westchester voters approved a 1% Non-Home Rule Sales Tax. This tax took effect on January 1, 2013. Proceeds from this revenue stream must be used for infrastructure improvements.

**Expenditures**

Expenditures in this fund are limited to infrastructure improvements and are normally capital asset purchases.

A transfer out to the Debt Service Fund for debt payments for the 2013 and 2015 Series Alternate Revenue Bonds is also budgeted in this fund.
