¹ - Rated AAAm by S&P (highest fund rating); perfected collateral with repurchase agreements at 102%. Il Funds is an Investment Pool and does not qualify for FDIC Insurance.

² -IMET Collateralization - collateral for deposits of the 1-3 Year Series will be held by a third party safekeeping agent, the agency relationship of which will be evidenced by a third party or tri-party safekeeping agreement.

Other collateral used by financial institutions for such purposes will be in a form and amount (but not less than 100%) deemed acceptable by the Board, including, but not limited to, Federal Home Loan Bank letters of credit.

BRIEF NOTES:

- Any Board-approved budget amendments are included in the Amended Budget column. The percentage of budget earned for revenues or percentage of the budget expended for expenditures is relative to the Amended Budget column.
- Negative revenues or expenditures in any account for the current period may show on the report due to accounting adjustments such as reclassifications made during the period.
- Through the eleven months or 92 percent of the fiscal year, the General Fund is recording expenditures over revenues in the amount of \$171.6 thousand. Total General Fund expenditures are greater than last year at this time due to larger purchases for needed equipment, building improvements, and maintenance items. There was also a large expenditure of almost \$500 thousand for administrative fees to the State for GEMT and \$391 thousand for an interest payment on the debt certificates. This deficit has been cut significantly from the prior month due to vehicle sticker and property tax revenues being received in March. We expect to receipt significant vehicle sticker fees in April.

Below is a brief explanation of activity through March 2024 and the overall financial position.

GENERAL FUND REVENUES

- For the month of March 2024, General Fund revenues are \$4.553 million and through March they total \$20.212 million for the year. Total revenues are 91.5 percent of the budgeted amount through March. Significant revenue items are noted below:
 - Local Taxes Through March, Gaming Tax of \$260.1 thousand, and Places for Eating Taxes of \$248.8 thousand are 103 percent and 91 percent of their budgets respectively. Local Gas Tax of \$164.3 thousand is almost 101 percent of the budgeted amount of \$163.2 thousand. Telecommunications taxes of \$395.4 thousand are on pace at 93 percent of the budget of \$425.1 thousand. Cable franchise taxes of \$312.5 thousand are 93 percent of the budgeted \$336 thousand. Overall local taxes are on pace or slightly over the budgeted amounts at this time through the fiscal year.
 - Natural Gas and Electric Utility Taxes are totaling \$703 thousand and are both running under budget through March 2024. Combined, these revenues are budgeted at almost \$1 million. Revenues of \$288 thousand from the gas utility tax has notably decreased in this fiscal year due to warmer weather and overall production of natural gas in the U.S. Prices have fallen over 40% in the last three months which affects the Village's tax.
 - Intergovernmental Revenues Personal Property Replacement Tax receipts of \$214.8 thousand are 92 percent of the budgeted amount of \$233.6 thousand. Sales Tax of \$1.823 million is \$135 thousand greater than last year through March, and is over 96 percent of the budget of \$1.890 million. Local Use Tax revenue is \$603.3 thousand. Based on trends and forecasting during the fiscal year 2024 budget process, both of these budgeted amounts were increased from fiscal year 2023's amounts.

State Income Tax is \$2.504 million and is 91.6 percent of the budgeted amount of \$2.735 million. The budgeted amount is \$450 thousand greater than fiscal year 2023's.

- Building permit receipts are \$417 thousand through March and are over 92 percent of the budgeted amount of \$455 thousand. This total was buoyed by a couple of large remodeling permits from businesses on Wolf Road and Mannheim Rd. combing for almost \$33.2 thousand. This revenue is roughly \$22 thousand more than the prior year's through March.
- Compared to the prior year, the housing market is slowing with fewer sales which in turn is reflected in home compliance permit revenue. This revenue is down roughly \$28.5 thousand from fiscal year 2023's. Revenue of \$75.1 thousand is 66 percent of the budgeted amount of \$114 thousand.
- Liquor License revenue is \$147.2 thousand for the year. This revenue was \$22.1 thousand through March 2023. The recent license fee increase in September 2023 by Village ordinance is attributable to the significant increase in revenue from the prior year.
- Photo enforcement fees of \$617.6 thousand are almost 123 percent of the budgeted amount of \$502.8 thousand for the year. This revenue is \$108.2 thousand higher than last year's through March.
- Rubbish revenue is \$1.790.4 million through March and is 83 percent of the budgeted amount of \$2.170 million. Since this is a bi-monthly billing cycle, we will record the last billing revenue for fiscal year 2024 in April.
- Ambulance Fee revenues are over \$1.694.4 million for the eleven months and are 106 percent of the budgeted amount of \$1.6 million. This revenue is roughly \$121.8 thousand less than last year's through March.

GENERAL FUND EXPENDITURES

With 92 percent of the fiscal year elapsed, total General Fund expenditures of \$20.387 million are 90.2 percent of the Fiscal Year 2024 amended budgeted total of \$22.606 million. Significant department expenditures are summarized next:

• <u>Administration</u>: There are a handful of materials, supplies, and contractual service accounts running over their budgeted pace through March. This is generally due to outfitting the department and/or Village Hall building with upgraded equipment and technology systems as a whole. Legal fees of \$262.9 thousand are over the budgeted amount of \$200 thousand.

Total department expenditures of \$2.465 million through March are almost 93 percent of the amended budgeted amount of \$2.652 million. There are a few significant account overages.

- <u>Building Department:</u> Total department expenditures are \$458.5 thousand or almost 62 percent of the amended budgeted amount of \$740.3 thousand through March. Almost all of the accounts are running under the budgeted pace with a few exceptions. The Permitting Clerk vacancy position was filled in September 2023.
- <u>Police Department</u>: Total department expenditures through March are \$6.975 million. Overtime costs of \$360 thousand have eclipsed the budget of \$250 thousand due to several unfilled positions. Vehicle maintenance has been substantial eclipsing the budget by \$20 thousand. The Village purchased two police vehicles in May; these were budgeted for in Fiscal Year 2024. The total department's expenditures through eleven months of the fiscal year are 94.6 percent of the total amended budget of \$7.374 million.

Pension expenditures for the pension levy are based on pension revenues and are a net zero transaction in the General Fund.

<u>Fire Department</u>: Total department expenditures through March 2024 are \$6.625 million. Due to short-staffing issues, full-time salaries are under the budget amount of \$2.728 million by \$545.4 thousand and are at 80 percent. Overtime of \$610 thousand has eclipsed the budget of \$280 thousand by \$330 thousand for the year. Vehicle maintenance has been substantial eclipsing the budget by \$52.8 thousand. Overall department expenditures are over 94.4 percent of the amended budget amount of \$7.016 million with 92 percent of the year elapsed.

As previously mentioned, a large expenditure over \$497 thousand was made to the State for annual administrative services for the collection of GEMT ambulance fees. This fee has been increasing year over year as it correlates to the increasing revenue.

Like the Police Department, pension expenditures for the pension tax levy are based on pension revenue.

• <u>Public Works Department</u>: Total department expenditures are \$3.780 million are almost 80 percent of the amended budgeted total of \$4.733 million. Salaries and overtime are under their respective budgets due a staffing shortage. A majority of the other accounts are running at or under their budgeted pace through eleven months of the fiscal year with some exceptions. Due to the timing of the billings, we have expensed ten months of rubbish expenditures. Assuming eleven months of rubbish expenditures were recorded through March, the Village would be right on the budgeted pace at 92 percent of the budget expended. This expenditure is roughly \$176 thousand per month.

UTILITY FUND

• Utility Fund revenues are \$5.089 million through March 2024. Total revenues are almost 83 percent of the budget amount of \$6.147 million through March, or eleven months (92 percent) of the fiscal year 2024. The last billing/revenue month is April 2024.

 Through March, Utility Fund expenses are \$6.674 million or 79 percent of the amended budget amount of \$8.477 million. We have recorded ten months of billings from the Broadview-Westchester Water Agency instead of eleven due to timing. The budget underage is primarily due to the lag in billings as noted above, and expenditures for the new water meters of over \$844.5 thousand are a little over half of the budgeted expenditures of \$1.444 million so far.

Many expense accounts are at or under the budgeted pace at this point of the fiscal year with some exceptions.

• The Utility Fund is recording expenses over revenues of \$1.586 million through March. Note that the Village has budgeted expenses over revenues in the amount of \$2.331 million for the year on account of the spending of federal ARPA grant funds of over \$2 million received in prior years.

MOTOR FUEL TAX FUND

• MFT allotment revenue for the month is \$60.1 thousand. Expenditures for the month of March are \$103.2 thousand.

Total revenues through March 2024 are \$720.3 thousand with expenditures of \$980.9 thousand resulting in net expenditures over revenues of \$260.5 thousand for the fiscal year. This fund budgeted expenditures more than revenues for the fiscal year due to a spend down of grant monies received in prior years.

E-911 FUND

• The Village has received E911 taxes of \$445.3 thousand through March. This reimbursement is for several prior months of expenditures. Expenditures of \$481 thousand have been incurred for the year. Revenue reimbursements of E911 expenditures come from the South West Cook County Consolidated Dispatch agency which holds the Village's E911 taxes. Meetings are usually held bi-monthly or quarterly and this is when the Village submits for reimbursement of its expenditures. The Village is due a reimbursement of the recent expenditures through March 2024.

HOTEL/MOTEL TAX FUND

- Hotel/Motel taxes are received on a quarterly basis. The third quarter's taxes of \$20 thousand were received in February for a total of \$76.7 thousand for the year. We should expect to record one more quarter of hotel/motel tax revenue for the remainder of the year. Other revenues for newspaper ads and special event revenue total roughly \$7.4 thousand for the year. The total revenues are \$84.1 thousand through March.
- Expenditures totaled \$4.5 thousand for the month of March and are \$91 thousand for the fiscal year. The expenditures consist of newsletter publication, electricity for the sign on Mannheim Road, and special event items such as Christmas décor and contributions to the Park District for Concerts in the Park and the 2023 Winter Wonderland sponsorship.
- Through March, the fund is recording expenditures over revenues for year of \$6.9 thousand.

ROOSEVELT RD. & CERMAK/OXFORD ST. TIF FUNDS

• In the Roosevelt Rd. TIF fund, real estate taxes of \$434.3 have been received in total for the fiscal year. *Combined* TIF funds' expenditures of roughly \$52.1 thousand have been recorded for the year.

DEBT SERVICE FUND (Fund 30)

This fund accounts for debt payments on the 2015 and 2021A bonds that are both funded by Non-Home Rule Sales Tax. Bond payments are due every June 15th (interest only) and December 15th (principal and interest). Total principal and interest for year total \$543.8 thousand. By Village Ordinance, transfers in from the Capital Projects Fund where the Non-Home Rule Sales Taxes are recorded are the pledged revenue for the aforementioned bond payments.

DEBT SERVICE FUND (Fund 31) - 2021 & 2023 G.O. BONDS

This fund was established to account for the 2021 General Obligation Bond and the 2023 General Obligation Bond issues' debt service payments. The debt on these bonds is paid from real estate tax revenue. Bond payments are due every June 1st (interest only) and December 1st (principal and interest). Real Estate tax revenues of \$2.789 million have been received for the year. Principal of \$1.635 million, and interest of \$568.6 thousand was paid in December. Total principal and interest paid for the year totals \$2.204 million.

CAPITAL PROJECTS FUND

Non-Home Rule Sales Taxes of \$113.4 thousand were received in March. In total, \$1.142 million has been received for the year. This is over 106 percent of the budgeted amount of \$1.075 million. As mentioned above, total principal and interest payments totaling \$543.8 thousand were recorded in the Debt Service Fund and a corresponding *transfer out* of the Capital Projects Fund to the Debt Service Fund was made in December for a total of \$543.8 thousand for the year.

Additionally, a \$14.9 thousand payment for principal and interest was made in March for the promissory note on the Village Hall building purchase. The Public Works aerial truck expenditure of \$164.5 thousand was recorded in June 2023. Including the transfer out, overall fund expenditures are \$893 thousand. The fund is recording revenues over expenditures of \$258.6 thousand for the year through March.

CAPITAL PROJECTS FUND – 2021 G.O. BOND

In February, bond proceeds of \$5.0 million were received which is another portion of the 2021 referendum bonds. In the month, \$104.2 thousand was expended for the street re-construction program. A total of \$12.3 million has been expended for the fiscal year. These expenditures are budgeted for and funded with available bond proceeds (fund balance) received in the prior year.
