From the desk of Village President Greg Hribal

Welcome to winter, although it might not yet feel like it. We once again anticipate a mild weather pattern in December and instead of working on snow removal, public works will be focused on keeping the streets clear of leaves and other debris which will help prevent flooding in addition to reducing hazardous conditions for drivers.

SBC will continue to collect yard waste through the end of December on normal pick-up days, and we remind residents not to rake or blow leaves into the street.

On December 9th, the Village Board will discuss options of an offer for the property located at Mannheim and Roosevelt. Xceed Commercial Real Estate and a Culver's franchisee have partnered to redevelop the three-acre parcel that previously housed several three-story office buildings.

This is not the sale of the property; rather, it is the first step toward negotiating a redevelopment agreement that would ultimately lead to a sale. While selling the property is important, ensuring that its future use positively impacts the community has been a top priority.

The Village is currently reviewing the format and delivery method of this newsletter. We've received concerns about the timeliness of the information it contains, as well as delays and occasional lapses in delivery with the current system.

Because the newsletter must be prepared up to 20 days before it is printed and hand-delivered, some residents have reported not receiving their copy at all.

To address these issues, we are exploring several options, including mailing the newsletter directly and using a new printer that can produce and distribute content within just a few days. Discussions are still ongoing, but our priority remains the same: ensuring that every resident receives timely, reliable information each month.

Jalapeno Taco has now opened at 10229 Roosevelt across from the Westchester Fire Station on Roosevelt Road. It is the former location of Pepe's II Hot Dogs.

A family-owned business serving authentic Mexican cuisine, it is currently open from 11am to 7pm and anticipate expanding the hours in the future. Please help me welcome them to the community.

With the upcoming holidays, please visit our website for the most current information on items such as village holiday closures and hours and SBC waste collection schedule changes or modifications.

The Village does its best to post all changes to our website, on Facebook and in our weekly e-news brief.

Our website also contains links to information on all the services provided by SBC Waste Solutions, such as electronic waste, bulk items and appliance disposal procedures.

In addition to weekly collection, there are many services that they provide free of charge.

Happy Holidays and here's to a Happy New Year!!

Celebrating Our Community

The Village of Westchester was happy to recognize two Westchester Fire Department supporters at a recent board meeting.

Ben Adelman

Ben Adelman was recognized for his nearly twenty years of service as an honorary member of the Westchester Fire Department.

Every Wednesday—affectionately known among staff as “Bensday”—Ben reports for duty, always ready to lend a helping hand with any task, whether assisting with rig checks, office work, or preparing for community events.

In addition to his weekly volunteer service, Ben plays an active role in the Fire Department’s annual Open House and other public outreach events throughout the year. Ben has also served for many years with Superior Ambulance, where he has excelled in both customer service and dispatch roles, and recently achieved his CPR certification.

Beyond his professional and volunteer commitments, Ben is a passionate advocate for individuals with disabilities, inspiring others through his speaking engagements and dedication to living life to the fullest.

The Village of Westchester and the Westchester Fire Department extend their heartfelt appreciation to Ben for his outstanding contributions, positivity, and service to our community.

His commitment and spirit exemplify the very best of what it means to serve others.

Lauren Chayka

Lauren was recognized for her enthusiastic support of the Westchester Fire Department and the greater fire service community.

Lauren is well known for her passion for the fire service and her active role in highlighting the work of the Westchester Fire Department and neighboring agencies within MABAS Division 20.

She manages the MABAS Division 20 Facebook Page, sharing her remarkable photographs and keeping followers informed about department activities, calls, promotions, and milestones.

She is also a dedicated supporter of The Yard Foundation and Project Fire Buddies, and her ongoing volunteerism, positivity, and pride in local firefighters make her an outstanding friend and advocate of the Westchester Fire Department.

The Village of Westchester was happy to recognize two Westchester Fire Department supporters at a recent board meeting.

Celebrating 75 Years of the Westchester Community Church

While not a traditional business, the Westchester Community Church has long served as an important pillar in our community.

For 75 years, the church has played a meaningful role in Westchester's development, civic life, and sense of togetherness. In recognition of its lasting impact and continued service to our residents, we are proud to feature the Westchester Community Church in this month's Community Spotlight.

The Westchester Community Church (WCC) was formed in October/November of 1949. The church was founded by residents of Westchester from a wide range of Protestant backgrounds. Josephine and Chuck Field are credited as the originators and played a significant role in canvassing the community and inviting others to help establish WCC.

Unlike many Protestant churches of the time—which were placed in communities through denominational or ecumenical assignments—WCC's early members met together to determine their own theology and governance.

The church was originally Congregational and later joined the United Church of Christ. Today, the Westchester Community Church remains a truly community-minded church, grounded in the belief that "Whoever you are, and wherever you are on life's journey of faith, you are welcome at the Westchester Community Church."

In 2025, the church celebrates 75 years of worship, service, and dedication to the Village of Westchester. The church has long been committed to caring for all people—Christian and non-Christian alike—and strongly believes in the unity of Christ's church, working together for peace, justice, and healing.

From its earliest days, members of WCC were instrumental in helping establish the Westchester Public Library, LaGrange Hospital, and the Westchester Chamber of Commerce. Their hallmark has always been caring for the entire community and finding ways to bring people together. Over the years, WCC has

hosted public forums on local schools, community issues, and prospective elected officials. The church proudly supports

groups and organizations such as the Westchester Food Pantry, scouting programs, Brownies, two A.A. groups, multiple theatre groups, and numerous community meetings, senior events, and youth sports activities.

They also help host multiple blood drives and are known for their annual Craft Fair, Bible studies, weddings, and funerals. Weekly activities are posted on the church's website.

WCC is also home to a vibrant preschool called Sticks and Stones. Additionally, the church quietly supports the community by allowing parking for Park District events and offering facility rentals to non-members for important family gatherings.

The church is active seven days a week, frequently hosting forums and discussions that address community issues, encourage dialogue, and foster collaboration. Since 1997, WCC has helped create and sustain the Chicago Tamil United Church of Christ, a Tamil-speaking Indian congregation.

WCC also serves as the host site for the Illinois Conference of the United Church of Christ, which oversees UCC churches in northern and central Illinois. The church additionally houses a counseling center for clergy of various denominations known as Midwest Careers.

Pastor Joe Mills has served as Senior Pastor since 1994. He is active in the area's United Church of Christ cluster and supports many regional mission efforts.

He is married to Barb, who recently retired after serving as a kindergarten teacher at Lindop School in Broadview. They have two adult children—one a physical therapist for children with multiple special needs, and the other a First Lieutenant in the U.S. Army. Pastor Joe is also deeply involved in the local community as Police and Fire Chaplain, Chair of the Economic Development Committee, and a board member of the Westches-

ter Chamber of Commerce.

He is active in the Theatre of Western Springs and supports two theatre groups in Westchester.

WCC's dedicated staff includes longtime Executive Administrator Joyce, who has served alongside Pastor Joe for many years, as well as a custodian, music director, Bell Choir director, and numerous member volunteers. For more information on the many activities and opportunities to participate, please visit the Westchester Community Church website.

Happy Holidays

I wanted to take a moment to wish everyone a very Merry Christmas, Happy Holidays, and a Happy New Year. It's amazing how quickly each year seems to pass.

As time moves along, many of us feel the natural wear and tear of life, but I've always believed that if your feet hit the floor in the morning, it's already a great day—everything else is a bonus.

I can truly say that some of the best times in my life have been spent working here for the Village of Westchester and serving our residents.

In today's world, things can feel divided and overwhelming, and it's easy to become discouraged or frustrated. During these moments, it's important to remain calm, think things through, and treat one another with patience and respect.

Along with that, we must also stay vigilant when it comes to protecting our personal information.

Scammers continue to find new ways to impersonate financial institutions, delivery services, or other trusted companies in hopes of gaining access to your accounts.

These individuals are highly skilled, so please remain cautious of unsolicited calls, texts, or emails asking for money, gift cards, or personal details.

During the holiday season, please be especially careful when using credit cards or carrying cash. Set up alerts on your phone for all transactions, monitor your accounts regularly, and ensure you have the ability to freeze your card quickly if needed.

Keep important documents secure, and consider using a home safe and a doorbell camera for added protection.

Most importantly, enjoy this special time of year. Be safe, take care of one another, and remember that the holiday season is a wonderful time for both giving and forgiving.

Sincerely,
Chief Daniel Babich

2025 Christmas & 2026 New Year’s Day
Holiday Rubbish Schedule

- Thursday, December 25th’s collection will be on Friday, December 26th
- Friday, December 26th’s collection will be on Saturday, December 27th
- Thursday, January 1st’s collection will be on Friday, January 2nd
- Friday, January 2nd’s collection will be on Saturday, January 3rd

Live Christmas trees up to 5 feet long will be collected on your regular rubbish day December 26, 2025 through January 16, 2026.

Yard waste collection ends December 30th and will resume April 2nd, 2026. Village branch collection will resume the week of April 6th – 10th 2026.

The Village Hall will be collecting non-working holiday lights for recycling until February 2nd

S.B.C. Waste Solutions, Inc. – 312-522-1115

sbcwastesolutions.com/westchester

- If your garbage, recycling, and/or yard waste was at the curb by 6am but was not collected by 6pm on your regular day, please call S.B.C. directly to report a missed collection.
- You may place two (2) large items that will not fit in your receptacle (couch, chair, table, etc.,) at the curb every week for collection.

Please call S.B.C. directly to inform them of large items.

- S.B.C. will collect household hazardous waste and electronic waste (e-waste), at no additional charge, including household chemicals, automotive products, paint products, garden chemicals, universal materials, batteries, long fluorescent lightbulbs, and swimming pool chemicals. This separate collection must be pre-scheduled by calling 312-522-1115.

Leaf Reminders As leaves fall, please remember **DO NOT** pile, blow, or rake your leaves into the street. This causes storm sewer problems which leads to flooding, and it is against Village Code. Yard waste is collected by S.B.C. through the end of December.

Village Snow Restrictions

Public Works crews keep our streets free of snow and ice during the winter months.

Please assist us by observing the following:

- Place garbage cans 3 feet behind the curb line- **do not place them in the street.**
- **Do not shovel or blow snow back into the cleared streets.**
- Please observe the “NO PARKING SNOW ROUTE” signs.
- The snow portion of the signs will be enforced after 2 inches of snowfall between December 1st and March 31st. If you reside on a Primary designated SNOW

ROUTE, after 2 inches of snowfall you must remove all vehicles from the snow route. Vehicles must stay off the street until the streets are cleared thoroughly by the plows by Public Works.

If the snowfall is continuing, the restriction is in place until Public Works completes the plowing for the day. Please check the signs at the corners of your block.

If you reside on a Secondary route, there is no parking Sunday, Monday, Wednesday and Friday on the even numbered house side and no parking Tuesday, Thursday and Saturday on the odd numbered house side after 2 inches of snowfall. Please check the signs at the corners and center of your block for guidance. (This includes ALL side streets not designated a Primary snow route.)

If you have a Fire Hydrant on your parkway, please help keep the hydrant clear of snow so that the Fire Department may easily access the hydrant in case of an emergency, and so that the snow plows may quickly identify the hydrants while plowing.

Westchester Tree Replacement Program

1. The Village has been planting trees on eligible parkways at no cost to the resident. This replacement program does not allow for residents to choose the species of tree planted, the location, the number of trees planted, nor are residents able to opt-out of having a tree planted in the Village parkway in front and/or side of their residence. Please call Public Works if you would like to request a tree

be planted, sooner rather than later, on any parkway.

2. If you would prefer to choose the species of the tree to be planted, this can be achieved through the 50/50 program.

The resident may choose the tree(s) from a list provided by the Village, and shares half of the cost of the tree(s) and planting with the Village. To request the list of 50/50 trees, please call the Public Works Department at 708-345-0041.

As always, residents are asked to call Public Works at 708-345-0041 if an unusual amount of water is visible in the street or parkway. This could be a main break or water leak that requires our immediate attention.

If after 3:30pm M-F or on weekends and holidays, please call the non-emergency number at 708-593-3830.

Walter S. Baltus: Westchester Developer

If one drives down many of the Westchester streets, one will invariably encounter Baltis Built Homes. Driving down Westchester Blvd., Manchester, Hawthorne, Kensington or Balmoral, even Mannheim Road, one will find homes built by Walter S. Baltus.

He built Georgians, colonials, spit-levels, two-flats, and larger apartment units, but he is probably best known for the mid-century Baltis Built ranches strewn throughout the village.

Walter S. Baltis began his life in Poland on September 19, 1904 with the last name Baltruszajtis. He emigrated to the U.S. when he was ten years old and grew up in Chicago. He became a naturalized U.S. citizen at the age of 32. He was married to Marie R. Nejdlik and had four daughters: Joan, Rita, Bonnie and Phyllis. They were residents of Riverside.

He started building homes in Westchester in 1941 and was a driving force behind the Westchester housing boom after World War II. The Williamsburg-inspired colonials he had been building did not really take off in Westchester, as new residents wanted modern, efficient housing with ample space.

His ranch-style homes included multiple entrances, large living room and dining room areas, two to four bedrooms, ceramic-tiled bathrooms, hardwood birch trim throughout, large windows for brighter interiors, ample storage, basements, and attached garages, which were not common with standard colonials.

By 1959, added family and utility rooms provided more square footage in his bi-level homes.

He constructed model homes that prospective buyers could visit on Westchester Boulevard and on Dorchester Avenue.

One lucky prospective buyer won a 1965 Mustang car as a Moen Fawcett sweepstakes prize for visiting a model home in Westchester as part of the Chicago Tribune's Spring Festival of Homes. Baltis Built Homes developed the area around Mayfair with custom-designed houses.

Their aim was to build homes solidly, with good quality serving as a source of pride. Walter Baltis had an amazing and lucrative career.

He started in the 1920s as sales manager at Cicero Motor Sales. He became the owner of Arrow Motor Sales from 1930 to 1935. He was a member of the Cermak Road Business Men's Association in the early 1930s. Then he became the manager of Stastny Builders in Berwyn. In Westchester, he became president of Baltis Built Homes in 1941.

He had a sales office in Berwyn before moving his main office to 1905 Mannheim Road in Westchester. Besides building over 2000 homes in Westchester by 1956, he developed suburbs in North Riverside, Stickney, and Forest View.

He also built houses and apartments in Berwyn. Thus, his company became a major developing firm of the western suburbs.

In 1956 he made an unsuccessful bid to become the state senator from the second Senatorial District on the Democratic ticket.

From 1953 into the 1960s he was president of the First Federal Savings and Loan Association in Westchester.

He was also president of the Globe Savings and Loan Association and was head of the Baltis Plaza Shopping Center. From the late fifties until 1964, Baltis served as a trustee for Metropolitan Sanitary District of Greater Chicago.

In the 1960s he became president of a credit union. One other noteworthy service to Westchester was donating 7.75 acres to the Catholic Archdiocese of Chicago, which deeded that land to the Divine Providence Parish to build the Catholic church and school on Mayfair Avenue.

At the age of 86, Walter Stanley Baltis passed away in Florida. He lies buried at the Queen of Heaven Cemetery along with his wife, who outlived him for several years.

Walter S. Baltis began his life in Poland on September 19, 1904 with the last name Baltruszajtis. He emigrated to the U.S. when he was ten years old and grew up in Chicago.

Perhaps most representative of his legacy are the many houses that shape the mid-century vibe that the Village

of Westchester boasts, enabling many young families to rediscover and appreciate well-built homes to bring up to date for lasting value today.

New Water & Sewer Rates

These changes took effect July 1, 2025, following a professional rate study, and represent the next phase of the Village's multi-year plan to address aging infrastructure, comply with the State's Lead Service Line Replacement Mandate, and maintain long-term financial sustainability of our water and sewer systems.

New Rates Effective July 1, 2025:

- **Water usage:** \$19.21 per 1,000 gallons
- **Sewer usage:** \$4.03 per 1,000 gallons
- **Water infrastructure fee:** \$22 per month (\$44 per bill)
- **Sewer infrastructure fee:** \$15 per month (\$30 per bill)

The approved ordinance also includes a 10% increase in July 2026, a 5% increase in July 2027, and then annual increases of 3–5% to keep pace with infrastructure maintenance and water delivery costs.

Water Fixture Efficiency Reimbursement Grant Program

The Village of Westchester is offering a Water Fixture Efficiency Reimbursement Grant to assist low-income residents in reducing water usage and offsetting the cost of high-efficiency fixtures. Eligible residents can receive up to 90% reimbursement on the purchase and installation of lead-free toilets, faucets, and showerheads—with a lifetime household maximum of \$500.

Highlights:

✓ Covers up to:

- \$200 per toilet
 - \$100 per faucet
 - \$75 per showerhead
- Must meet water-efficiency standards

(e.g. 1.28 gallons per flush for toilets)

- ✓ Must obtain a free plumbing permit
- ✓ Income eligibility required (e.g. Medicaid, SNAP, LIHEAP, or unemployment letter)

Utility Bill Hardship Program

The Village of Westchester offers a Utility Bill Hardship Program to assist residents who are experiencing financial difficulty in keeping up with their water and sewer bill. This program allows eligible account

holders to apply for a payment arrangement through a formal hardship hearing.

Program Details:

- ✓ Account must not be delinquent at the time of application
- ✓ Residents must apply in writing using the official application
- ✓ Only one hardship arrangement allowed every 6 months
- ✓ Applicants must attend a scheduled hardship hearing – missing it counts as your one chance for the 6-month period
- ✓ If approved, failure to follow the

payment plan will result in termination and the full balance becoming due

Submit completed applications to:

A Letter from the Superintendent

Dear Parents and Guardians,

December is always a busy and meaningful month in our schools. It’s a time to reflect, give thanks, and stay connected as a community. I want to thank the parents who attended our recent Strategic Plan Stakeholder Meeting and shared valuable feedback. Your input is helping us shape the future direction of our district. In the coming weeks, we’ll share a draft of the plan and invite additional feedback before it’s finalized.

We’re continuing to strengthen our partnership with families and make sure every parent feels welcome and informed. I encourage you to take time to connect with your child’s teachers, talk about their progress, and set goals for the months ahead.

- Please note these important dates for December:
- Friday, December 19 – School Improvement Early Release Day
 - December 22– January 2, 2026 – Winter Break for Students
 - Monday, January 5, 2026– Classes Resume

As we move into colder weather, we often see more seasonal illnesses. If your child isn’t feeling well, please keep them home to help prevent the spread to classmates and staff.

If you have ideas, feedback, or questions, please don’t hesitate to contact me by phone (708-670-1927) or email (psalemi@sd925.org). Thank you for your continued support, trust, and commitment to our school district. I hope you and your family enjoy a restful winter break and Happy holidays.

Sincerely,

Philip Salemi, Ed.D
Superintendent of Schools District 92½

Westchester Primary School

WPS celebrated fall with fun-filled classroom activities, thanks to the WPTC and staff. On Thursday, October 30th, our Early Childhood and Preschool Classrooms celebrated, and on Friday, October 31st, our Kindergarten, First, and Second Grade students participated in a costume parade outside. Following the parade, the children returned to their classrooms to participate in the parties sponsored by WPTC. Pictured below Hannah Feldbauer, Jordan Colon, and Hazel Carmon - Veronika Savonchak, Oliver Nagl, and Dreanna McGrew.

On November 6th, Westchester Primary School participated in our annual WPTC McTeacher Night with Westchester Intermediate School. So many of our families came out to support our schools, and many staff members volunteered their time. We are so grateful to all who made the event a huge success! Pictured below: Mrs. McDowell, Ms. Coglianese, Mrs. Hagstrom, and Ms. Roger - Mr. Barrett and Mrs. Lafin.

Westchester Primary School

Westchester Primary School showed gratitude in several ways in November. Students listened to and read books about being grateful and showing thankfulness to others. WPS was especially appreciative when we honored our active and retired service members on Veterans' Day. Students learned that we celebrate all Veterans, alive and deceased, for their honorable service to our country. On Veterans' Day, we celebrated our veterans with an all-school assembly. Several of our second graders read in the assembly, and Staff Sergeant Johnathan Ulin spoke to our students, staff, and guests.

Lastly, as the first trimester ended in November, Parent-Teacher conferences were held in person on November 24th and virtually on November 25th to accommodate our WPS families. Parents and Guardians were invited to WPS to meet with their child's teacher to discuss their child's progress. WPS values our strong parent partnerships to support student learning in and out of the classroom.

Westchester Intermediate School

This is a busy time of year for our students. We were able to celebrate Veteran's Day this year with an assembly. Nearly eighty families joined us for some songs, student poems, letters, and a slide show commemorating our family members who have served in the military. We welcomed Ms. Martinez as our guest speaker to share her experiences with our students and staff. We appreciated her joining us. She was amazing with our kiddos.

We held our parent teacher conferences on November 24th and 25th. They were very well attended by our parents and provided an opportunity for our teachers and families to connect on how the year is going. These meetings give us the chance to continue fostering a positive working relationship with our families to support continuous growth for all of our students.

We will continue to be busy in December. On December 2nd we have our Winter Chorus Concert from 6:30 to 7:00. Our WPTC sponsored Winter Shop will be December 8th and 9th during the school day. Our Beginner and Cadet Bands have been practicing and preparing for our Winter Concert which will be December 17th from 6:30 - 8:00. Our Beginner Band will perform from 6:30 to 7:00 and our Cadet Band will perform from 7:30 to 8:00. Our Winter Parties with the help of the WPTC will be on December 20th. Then it is time for Winter Break.

As we get into this time of year, it can be difficult for students to stay focused. We have to continue to work together to keep our children centered and on task so they can be their best selves. I hope everyone has a wonderful winter break.

Go Huskies!

Westchester Middle School

As a school we will continue to reinforce our Warrior Expectations for everyone in the WMS learning community. Students and staff should:

- Be Responsible
- Be Respectful
- Be Safe
- Be There, Be Ready

Congratulations to our September Warriors of the Month! 6th Grade: Dez Gallardo and Isis Hill, 7th Grade: Jacob Leisten and Emilia Wiktorzak, 8th Grade: Grace Lazaro, Aaliyah Sims, and Samantha Wyckoff. Warriors of the Month are selected by their teachers for setting a strong example and exceeding the expectations of the 4 Bs: Be Responsible, Be Respectful, Be Safe, Be There

Our Boys Basketball teams and our Cheer and Dance team are near the midpoint of their season. Check the weekly message or with one of the team members about the dates you can join us for a game.

Upcoming Events

Please join us on Wednesday, December 10 at 6:30 PM for our Winter Band Concert. We look forward to sharing our student's musical talents with you during this evening.

Our Winter Dance will take place after school from 3:00 to 4:30 on Friday, December 12. Please look in the weekly message for the permission slip and its due date.

We will have our Winter MAP testing on Monday, December 15 and Tuesday, December 16. We hope to then complete our makeups on December 17 and December 18.

Our final day before Winter Break will be Friday, December 19. We will have our Winter Assembly on this day and will conclude it with our musical announcement. Dismissal will be at 11:15.

We send our weekly updates each Friday afternoon at 4:00 PM. Please review them for important information about WMS.

A HUGE THANK YOU to all of the volunteers who helped at all of the events last month!

We had two successful book fairs at WPS and WIS, along with Math and Reading Night in October.

We were thrilled to have our Fall Family Dance and WMS's first dance this year. And we cannot forget our fun fall classroom parties at WPS and WIS.

The WPTC board is looking forward to WPS and WIS McTeacher Night on November 6. School staff will be serving orders and selling \$1 apple pies. This is always a fun night for the kids!

The next WPTC Meeting is November 5, in the WIS cafe beginning at 6:00 p.m.

Our events can only take place with the help of our volunteers.

Thank you to those who have taken the time to help out at our past events.

We have many more coming up and will need help. There are plenty more opportunities to help out!

We have some fun events coming up!

Be on the lookout for these events and volunteer opportunities:

***November 6th- WPS and WIS McTeacher Night**

***November 5th- WPTC Meeting 6pm WIS Cafe**

Joyful and Waste-Free: Your Guide to Zero-Waste Holidays

The holiday season is a time for celebration, but it also sees a significant spike in waste—from wrapping paper and single-use dishware to uneaten food.

Whether a family gathering at home, annual work party, or other gathering, hosting a **zero-waste holiday event** is a fantastic way to spread cheer without spreading trash, proving that a truly festive gathering can be both spectacular and sustainable. And it’s a great way to save money!

Here’s your step-by-step guide to planning low-impact, high-joy December events. Choose what works for you!

Food: Local, Planned, and Loved

Food waste accounts for a huge portion of holiday waste, but smart planning can eliminate it.

- **Plan Portions Accurately:** Use an online “Guest-imator” or similar tool to accurately calculate how much food you need based on your head-count.
- **Source Locally:** Shop at **local farmers’ markets or co-ops** to find seasonal, unpackaged ingredients, reducing both packaging waste and your meal’s carbon footprint. Consider incorporating more **plant-based options**, which generally have a lower environmental impact.

- **Embrace Leftovers:** Have a plan for uneaten food. Encourage guests to **bring their own reusable containers** to take home leftovers—make it a fun “doggie bag” station! Donate non-perishable or unopened excess food to a local food bank. Compost any unavoidable food scraps.

Gifts & Wrapping

- **Gift Memories, Not Things:** Go **gift free** and focus on creating memories. If you are gifting, choose experiences (like event tickets, classes, services), shop second hand, or give something homemade.

- **Conscious Wrapping:** Wrap gifts using **reusable fabric bags, scarves, dishcloths, or newspaper** instead of conventional, non-recyclable wrapping paper or plastic ribbon.

Say No to Disposables

- **Use Reusables:** Choose **real plates, glasses, and silverware**. If you don’t own enough, borrow from neighbors, friends, or rent them. Thrift shops can make for great finds. And mismatched tableware can add a charming, eclectic flair!

- **Cloth Napkins:** Swap paper napkins for **washable**

cloth napkins and tablecloths.

- **Bulk Beverages:** Buy drinks in large containers instead of individual bottles or cans. Set up a water station with tap water infused with fruit or herbs, and encourage guests to **bring their own reusable water bottles** or use your glassware.

Simple & Natural Decor

- **Natural Elements:** Decorate with natural greenery like pinecones, branches, or dried citrus garlands. These items are beautiful and compostable.

- **DIY & Secondhand:** Use existing ornaments or

make new ones from natural materials. **Thrift stores** are also excellent sources for unique, pre-loved holiday decorations.

- **Reusable Lights:** Choose **LED lights** for maximum energy efficiency, check light strands for dead bulbs before disposing of the set, and recycle old light strands at collection sites throughout the area.

Choose the changes that work for you and remember small changes add up for big impact. With a few mindful choices, events and gatherings are a great time for making memorable and beautiful moments that are a gift to your guests and the planet.

Green Fact of the Month

A 2021 analysis showed “Americans generate 23% more tons of waste in December than in other months of the year”. “In 2017 nearly one-third of people who accepted a gift they didn’t like threw it in the trash.

Recipe of the Month

This month’s recipe makes for an easy on-the-go lunch during the holiday season or a veggie-packed snack to fuel your day. Try sprinkling everything bagel seasoning or other herbs/spices on the sweet potato for an added burst of flavor.

Collard Green Wraps

makes 2 servings

Ingredients

- 2 collard green leaves
- 1 small or medium sweet potato
- 2 teaspoons sesame oil
- 1 teaspoon pink sea salt
- 1 teaspoon ground black pepper
- ¼ cup sprouts or shredded cabbage
- ¼ cup bell pepper, diced
- ¼ cups shredded (or diced) carrots

- ¼ cup cucumber, chopped or cut in thin, length-wise strips
- ½ an avocado, cubed (optional)

Instructions

1. Preheat the oven to 400 degrees F.
2. Wash and peel the sweet potato, then slice it into rounds about ¼-inch thick. Place the rounds in a single layer on a baking sheet and lightly coat them with sesame oil, salt and pepper. Bake for 25–30 minutes, turning over halfway through the cook time.
3. Place collard greens in a large pan with an inch of water. Cover and steam the greens over medium heat until wilted, about 2 minutes. Remove the greens from heat, drain the water and set the softened leaves aside.
4. Divide all prepped ingredients into two portions before beginning to assemble the wraps.
5. To assemble a wrap, fill a collard green leaf

starting with the roasted sweet potato, followed by carrots, bell pepper, cucumber, sprouts (or cabbage) and avocado (if using). Be careful not to overfill. This will help to prevent tearing the leaf.

6. If desired, add 1–2 tablespoons of sriracha, chutney, peanut sauce, tahini or another condiment of your choosing.

7. Fold in the long sides of the leaf first. Then fold over the edge of the leaf closest to you. Keep rolling to fully seal the wrap. Repeat with the second leaf.
