## ATTENTION: LOCALIZED BOIL ORDER

Effective today, January 20th as of 11:15am and until further notice, there is an isolated boil order for all drinking and/ or cooking water in the localized area of Nelson St. From Boeger Ave. to 11019 Nelson St.

Due to a water main break, water in the above area will be off at 11:15am for 2-3 hours, dropping the system below 20psi, and resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. \*Sample results typically come back in 24-48 hours\*
