ATTENTION: LOCALIZED BOIL ORDER

Effective today, December 11th as of 1:30pm and until further notice, there is an isolated boil order for all drinking and/ or cooking water in the localized area of Wellington Ave. between Lancaster St. & Nelson St.

Due to a water main break, water in the above area will be off at 1:30pm for 2-3 hours, dropping the system below 20psi, and resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. *Sample results typically come back in 24-48 hours*
