ATTENTION: LOCALIZED BOIL ORDER

Effective today, December 16th as of 9:30am and until further notice, there is an isolated boil order for all drinking and/ or cooking water in the following areas:

- Canterbury St from Westchester Blvd to Balmoral Ave
- Balmoral Ave from Canterbury St to Wight St
- Wight St from Balmoral Ave to Mannheim Rd
- Mannheim Rd from Canterbury St to Bond St

Due to a water main break and a blown water valve, water in the above areas will be off at 9:30am for up to 8 hours, dropping the system below 20psi, and resulting in this EPA mandated boil order until further notice.

> Crews will be working all day on both breaks to restore water service as soon as possible.

Upon the restoration of water service, all drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking.

This order will remain in effect for the above areas until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected areas will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted.

Sample results typically come back in 24-48 hours

Should you have any questions regarding this notice, please call:
