ATTENTION: LOCALIZED BOIL ORDER

Effective tomorrow, April 22nd as of 7am and until further notice, there will be an isolated boil order for all drinking and/ or cooking water in the localized area of Windsor Dr. from Mayfair Ave to 10814 Windsor/ 10813 Windsor, and including 10741 Windsor Dr.

Due to a section of water main replacement, water in the above area will be off from 7am to 3pm, and will drop the system below 20psi, resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking upon resumption of water service.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. *Sample results typically come back in 24-48 hours*
