## ATTENTION: LOCALIZED BOIL ORDER

Effective tomorrow, May 1st as of 8am and until further notice, there will be an isolated boil order for all drinking and/ or cooking water in the localized area of Norfolk Ave. from Wedgwood Dr. to Gladstone St.

Due to water main improvements, water in the above area will be off from 8am to 2pm, and will drop the system below 20psi, resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking upon resumption of water service.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. \*Sample results typically come back in 24-48 hours\*
