ATTENTION: LOCALIZED BOIL ORDER

Effective tomorrow, May 13th as of 7am and until further notice, there will be an isolated boil order for all drinking and/ or cooking water for the localized area of Norfolk Ave. from Gladstone St. to Roosevelt Rd.

Due to final water main improvements, water for the area is expected to be off from 7am to 11am, and will drop the system below 20psi, resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking upon resumption of water service.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. *Sample results typically come back in 24-48 hours*
