## ATTENTION: LOCALIZED BOIL ORDER

Effective Thursday, July 17th as of 9am and until further notice, there will be an isolated boil order for all drinking and/ or cooking water for the localized area of Canterbury St. from Mannheim Rd. to Balmoral Ave.

Due to water main improvements, water for the above area is expected to be off from 9am - 1pm, and will drop the system below 20psi, resulting in this EPA mandated boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking upon resumption of water service.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. \*Sample results typically come back in 24-48 hours\*
