ATTENTION: LOCALIZED BOIL ORDER

Effective July 9, 2024, from 9 a.m. until further notice, a precautionary localized boil order is in effect for all drinking and/or cooking water for the following addresses:

- Windsor Dr: 10741, 10806, 10807, 10810, 10813, 10814, 10818, 10822, 10826, 10830
- Mayfair Ave: 2344

Due to the water main tie-in at Kensington Ave & Windsor Dr, the water system in this localized area is expected to drop below 20psi, resulting in this Illinois Environmental Protection Agency (IEPA)-mandated precautionary boil order until further notice.

All drinking and/or cooking water should be boiled for at least 5 minutes before drinking or cooking.

This order will remain in effect for the localized area until laboratory sampling confirms the water is safe. Once the water sample has been confirmed safe, customers in the affected area will receive notice stating the precautionary localized boil order has been lifted.

Should you have any questions regarding this notice, please call:

John Fecarotta
Westchester Water Superintendent
