## ATTENTION: LOCALIZED BOIL ORDER

Effective August 27, 2024 from 8:00am until further notice, there will be a precautionary isolated boil order for all drinking and/or cooking water in the localized area of Cermak from Sunnyside to Mayfair.

Due to a valve replacement, the water system in your area is expected to drop below 20psi, resulting in this EPA mandated precautionary boil order until further notice.

All drinking and/ or cooking water should be boiled for at least 5 minutes before drinking or cooking.

This order will remain in effect for the limited area until laboratory sampling confirms the water is safe. Once the water sample has tested clear, customers in the affected area will receive a GREEN notice stating the precautionary Localized Boil Order has been lifted. Sample results are typically available in 24-48 hours.

Should you have any questions regarding this notice, please call:

Westchester Water Superintendent  
John Fecarotta
